PREFACE.

New-Englanders will occasionally assert, that New York did very little to assist her sister colonies in the struggle for independence more than one hundred years ago. To correct this opinion, the Editor has endeavored to resuscitate from the tomb of general oblivion the names of the men who proved their attachment to the cause of liberty by serving in a military capacity as officers and soldiers of the Regiments of the New York Line on Continental Establishment, of the Battalions of Levies, organized by the State of New York for purposes of self-protection, of the Regiments of Militia, Minute Men and Rangers and — of the Navy.

Although the volume herewith laid before the public contains about 40,000 names, the Editor fears that many a family will be disappointed upon not finding an ancestor, whom family tradition has elevated upon the pinnacle of revolutionary fame. The reason for not bringing such names is that the records of the war of Independence, both in the archives of New York and at Washington, are defective; for it has been the Editor's endeavor during five years, to examine every possible clue and enumerate the names there found.

New York had been called upon to furnish four Regiments* for the Continental army. She furnished, according to the Military Register, which has been mentioned on page 165, and from which most of the names of men serving in the New York Line, have been taken — 5,011 officers and soldiers for active field service out of a population of about 150,000 inhabitants.†

In the matter of financial aid, New York, although then not as rich as she is now, did not lag behind her sister colonies, as the following "General abstract of the sums of money, including indents and paper money of every kind, reduced to specie value, which have been received by, or paid to, the several States, by Congress, from the commencement of the Revolution

* This number was upon application of New York to Continental Congress raised to five.

† Documentary History I. The census of the State of New York for 1795 shows, that there were then 64,454 men entitled to vote living within its boundaries.

to the present period; made in pursuance of the order of the House of Representatives of the 23d of April, 1790," will show:

A letter from *John Lamb* to this Congress was read.

New York, June 2^d, 1775.

Gentlemen.

As I embarked very early in the Cause of Liberty and have ever defended the Rights of *America* by every means in my power, so I am still actuated both by Principle and inclination to exert myself to the utmost of my Abilities in preserving the Freedom of my Country and as it is highly probable, that Troops will soon be raised in this Colony, I take the Liberty, to tender you my best services. — Should you think me worthy your confidence, I flatter myself, that my future Conduct will evince, it has not been placed on an improper object. — At the same time I must beg leave to observe, that I should incline to serve in the Artillery Department, having made that Branch (of Military Science) more particularly my Study. I am with the greatest Respect

To the Hon^{ble} Provincial Congress
of the Colony of *New York*

The Gentlemen appointed a Committee for that purpose reported Drafts of two several Letters to the Delegates of this Colony at the Grand Continental Congress, which were severally read and approved and are in the Words following to wit:

Provincial Congress *New York* June 7th, 1775.

Gentlemen.

The Colonies of *Massachusetts* & *Connecticut* have formed their respective Armies and nominated to the General Command of them; the Supposition, that in Case a Continental Army should be established by Authority of your respectable Body, their Officers will be permitted to preserve their respective Ranks, appears to Us highly probable. In this View We think it not improbable, that we should be called on for a Recommendation to fill the Offices in the Military Appointment of this Colony. We take the liberty for the present to furnish you with our Sentiments on the appointment of a Major and Brigadier General and Submit them to your superior Wisdom either for use or concealment; Our only motive is to prevent a Delay, that might otherwise be occasioned by an Opinion you may entertain of the necessity of asking our Sentiments on that Subject. -

Courage, Prudence, Readiness in Expedients, nice Perception Sound Judgment and great

Attention. These are a few of the natural Qualities, which appear to us to be proper. To these ought to be added an extensive acquaintance with the Sciences, particularly the various branches of Mathematic knowledge; Long practice in the Military Art and above all a knowledge of mankind. On a General in *America* Fortune also should bestow her Gifts, that he may rather Communicate Lustre to his Dignities than receive it and that his Country in his property his Kindred & Connections may have sure Pledges that he will faithfully perform the Duties of his high Office and readily lay down his Power, when the general Weal require it.

Since we cannot do all that we wish, we will go as far towards it as we can, And therefore you will not be surprised, to hear that we are unanimous in the Choice of Col^o. *Philip Schuyler* & Capt. *Richard Montgomerie* to the Offices of Major & Brigadier Generals. If we knew how to recommend them to your notice more strongly, than by telling you, that after considering the qualifications above stated, these Gentlemen were approved of without a single Dissent, Our regard to the public Service would certainly lead us to do it in the most forcible Terms. Nor will we enter into a Minute Detail of the Characters and Situations of two Gentlemen with whom our Delegates cannot but be acquainted. In a Word we warmly recommend them, because we have no Doubts but that their appointment will give general Satisfaction.

We beg leave to assure you, Gentlemen,
that we are with the profoundest Respect &c

2. You will have great regard to moral Character, sobriety in particular,— let our manners distinguish us from our Enemies, as much as the Cause we are engaged in.

8. You will take Notice that proper persons will be appointed to inspect your Men & reject such as do not answer to your Instructions.

9. You will furnish the Subalterns appointed to your Company with a copy of those instructions, who are hereby ordered to put themselves under your Command.

* * * * *

Mr. *Roosevelt* reported, that Mr. *Walton* & himself by Order of this Congress had called on the Gentlemen in this City mentioned in the Report of the Committee of Arrangement for Officers in the Troops to be raised,—that several of them had consented to accept the service, that Messrs. *Helme* & *Stockholm* had declined the service, that several others had desired some time to consider of the proposal and that some of the Gentlemen named for Lieutenants were very anxious that their particular Situations as to Captains, they were to serve under might be changed.—And the Congress being informed, that *John Quackenboss* is a proper person & very anxious to be in the Service — *Ordered*, that the name of *John Quackenboss* be inserted in the room & Stead of *Andrew Stockholm*.—And *Ordered*, that Col^o. *Lispensard* with Messrs. *Roosevelt* & *Walton* be a Committee to consider the present arrangement of the Lieutenants and to make such Arrangements or Alterations in the Stations of the Lieutenants, as they may think will give the most satisfaction to the Officers and that they report to this Congress, what they shall have done in the Premises.

Gentlemen :

We beg leave for your information, to inclose you a copy of the instructions and warrant,

which we have given to the Officers employed in raising our Troops. We have formed an arrangement of the 3000 men (exclusive of the *Green Mountain Boys*), which the Continental Congress have ordered us to raise, into 4 Battalions of 750 men each, including their Officers, and would be glad to be informed, what their pay is to be. We are at a loss about this matter, because the accounts we have of the pay of the Colonies of *Massachusetts*, *Connecticut* and *Rhode Island* differ so as to reduce us to an uncertainty, which we could wish to have removed. We think, with submission, that it would have a tendency to promote the service, if our Levies could be informed of the quantum of their pay. We have reason to believe, that the four Battalions will be compleated soon, but are sorry to inform you, that we have no powder for them, when raised. To the *New York* Delegates We are Yours &c
at the Continental Congress.

In Provincial Congress.

New York, July 27th 1775.

Gentlemen.

You will readily recollect your former recommendation of Mr. *Duer* to some Members of our Board for a Colloneley and therefore will not be surprised, that we have seized the opportunity of appointing him Deputy Adjutant General with the rank of Colonel and we trust, you will not consider this as any disrespect to your late recommendation of Mr. [*Morgan*] *Lewis*. We have submitted it to your Body in our Letter to the President, whether the appointment of a Major of Brigade will not be proper and at the same time submitted the person to your nomination. Ticonderoga, July 26th 1775.

Gentlemen. Some time past, while I was gone to our Provincial Camp near *Boston*, an unhappy difference happened on a field day between the Fusiliers, now commanded by *Henry G. Livingston*, Esq^{re} and my company. As such disputes might greatly injure the cause, in which we are all engaged and to prevent the like for the future, I last night withdrew my company from Col^l. *Lasher's* battalion. I am now on a journey to *New England* — when I return, shall with pleasure join any other battalion and act in any station you may please to assign me, in which I can best serve my country. * * * *

To the Gentlemen of the
Provincial Congress.

A letter from Capt. *Henry B. Livingston* informing that his Company is ready and requesting to know, who is his Colonel was read and filed:

Rhinebeck, 8th August, 1775.

Sir. I have enlisted upwards of 72 men, some of them have since deserted and others refused to appear. I now lack twelve men of the number prescribed me. I have kept those I have on duty constantly from the time of their enlistment and have them tolerably well disciplined. We are much in want of clothes, arms, shoes &c. We are unfit for a march until we have those necessities, and some of my men, who have families here, would be very unwilling to march, until part of their pay is advanced to them I have not yet seen my second Lieutenant, Mr. *Paddock*, but expect him to-day with twenty men; so that when he comes, I shall have more than my complement.

DIE MARTIS, 9 HO. A. M. 15th Aug^t. 1775.

The Congress met pursuant to adjournment. No Prayers.

A letter from General *Schuyler* of the 31st of July last was read and filed and is in the words following :

Ticonderoga, July 31st 1775.

Gentlemen.

I do myself the honor to enclose you copy of a letter and paper I have received from the people called *Green Mountain Boys*, together with a copy of my letter in answer. I am apprehensive, that the Controversy, that has arisen amongst them, relative to Field Officers, will cause delay in the levies.

Whilst at *New York* and even after my arrival here, on conversing with *Allen* and *Warner*, I did not conceive, there would have been any contest between them, or that a third person would have been recommended by the People as a Field Officer; on that supposition and believing the people unanimous in their favour I should not have hesitated to have recommended them.

* * * * *

The several papers referred to in the preceding letter from General *Schuyler* were respectively read and filed and are in the words following :

“ May it please your Honour.

In compliance with the Orders of Congress as well as your recommendation, I enclose the proceedings of our Committee Meeting on the *New Hampshire* Grants, upon due notice to the Towns in General — all which is humbly submitted to your wisdom, not doubting but the warrants will issue agreeable to our wishes.

NATHAN CLARK Chairman.

H^d Q^a *Ticonderoga*, July 31st 1775.

Sir : Your letter dated *Dorset* July 28th has been delivered me by Captain *Fitch*, together with all the votes, that were enclosed. The choice of the Captains and Lieutenants being left unconditional to the people, those chosen will receive their Warrants as soon as they come to my hands — and that the levying of the men may not be retarded, you will signify to them, that I hereby empower them immediately to proceed to that business without waiting for the warrants....

The votes I shall immediately transmit to Congress, that they may approve of the Field Officers or appoint others out of your Body, as they may think proper.

I am, Sir, &c &c

PH. SCHUYLER.

To Mr. *Nathan Clark*.

Ordered, that Blank Warrants be sent to General *Schuyler* for the seven Captains & fourteen Lieutenants of the Troops to be raised by this Colony from among those called *Green Mountain Boys*.

Ordered, that General *Schuyler* be requested and authorized to appoint a Lieutenant Colonel or Major or both for the Troops to be raised by this Colony from among those called *Green Mountain Boys*, when such a number are raised as (in his opinion) shall make it necessary.

Resolved, that when the *Green Mountain Boys* are raised, each of them shall be furnished with a Coat and that Mr. *Peter T. Curtenius* be requested to purchase coarse green Cloth for that purpose and red Cloth sufficient to face those Coats and to have two hundred and twenty-five Coats of a large size made of the said Cloth.

A memorial of Captain *Jacobus Wynkoop*, dated this day, alleging that considering his age and former services* he conceives himself agrieved in his rank and situation in the Troops now raised in this Colony was read and filed.

He had held a commission as Capt. of a Co. of Batteauxmen under Genl. *Shirley* in 1763 commanded Genl. *Gage's* Company in *Broadstreet's* campaign & had been offered a Com^d. in the R^d Americans.

DIE JOVIS, 9 HO. A. M. AUG. 17th 1775.

A Letter from General Washington was read and filed and is in the words following :

Camp at *Cambridge*, Aug. 10, 1775.

Sir :

Your favour of the 2^d instant is duly received, but it is out of my power to comply with the request it contains of forwarding Commissions. All those I have yet received from the Honorable Continental Congress are far short of the number required in this Army, for which reason, when in *New York*, and by letter from this, I directed General *Schuyler* to apply to the Congress at *Philadelphia* for those of his Department as the shortest and easiest mode,— to which I must also now refer you.

I am, Sir,

The President of the

GEORGE WASHINGTON.

Provincial Congress — *New York*.

A draft of a letter to Major General *Schuyler* was read and approved and is in the word following, to wit :

In Provincial Congress.

New York, Aug. 17th 1775.

Sir: We have received your favour dated the 31st July last covering the proceedings of the *Green Mountain Boys* in their choice of Officers & agreeable to your request enclose you twenty one Blank warrants to be filled up agreeable to their choice.—The Field Officers were to be recommended jointly with you by this Congress, but as we are ignorant of the merits and qualifications of those among them, who would be equal to the appointment, we have therefore concluded to leave the appointment to you. The disputes already subsisting amongst their chiefs, the principles whereof we are strangers to is an additional inducement in determining us to this reference. Your acquaintance with them we hope will enable you to fix the choice on such persons as may be least exceptionable and who will most effectually promote the service.

* Capt. *Lamb*, in the letter mentioned, refers to the pay of the R. I. Company and points out as a mistake, in that arrangement, that the pay of a 2^d. Lieutenant and Lieut. Fireworker is not equal to the pay of Lieutenants of Foot Companies, also that a Bombardier receives more, than a Sergeant.

The Committee appointed to confer with Mr. *Duer* report,

That it appears to the Committee, that Mr. *Duer's* private affairs are so peculiarly circumstanced, as to render it extremely imprudent for him to accept of his appointment to the office of Deputy Adjutant General in the Continental Army in this Colony.

Resolved, that this Congress does agree with the said Committee in their said report. . . .

Resolved and agreed, nem. con., That *Robert G. Livingston Junr.*, be appointed Deputy Adjutant General with the rank of Colonel in the place of *Wm. Duer, Esq^{re}* and that he be directed to join the Army under the command of General *Schuyler* with all possible dispatch.

A letter from General *Schuyler*, dated at *Saratoga* on the 19th instant was read and filed and is in the words following:

(Extract) "Col^o. *Ritzema* with the four Companies under his command is to march this morning from *McNeils*, two miles above this. His detachment has a quantity of baggage sufficient for three complete Regiments. Fourteen of Col^o. *Ritzema's* men have already deserted since his arrival at *Half Moon* and I believe he will loose many more, before he reaches *Ticonderoga*. If those gone are like some that remain, we have gained by their going off. . ."

(Extracts from letters of Gen^l. *Schuyler* of the 20th and 23^d Aug.)

"Reports prevail, that the controversy between *Allen* and *Warner* is carried to such a length, that few men will be raised and that of those, that may enlist very few will have arms."

"This morning (23^d) Mr. *Warner* was with me for the Cloathing and Blankets of the *Green Mountain Boys*; I read your resolutions to him and delivered six sets of warrants filled up agreeable to the choice made by them, — the seventh remains blank, as one of the Captains declined the service, and as these people could not take the field without some money to procure blankets, I have advanced him £500 on their pay.

"I did not mention to him your resolution authorizing me to appoint Field Officers, as I cannot possibly comply with that requisition. The peculiar situation of these people and the controversy they have had with this Colony or with gentlemen in it, renders that matter too delicate for me to determine and it was in this view, that I begged, that the warrants for the Field Officers might be sent me complete, which I shall still hope to receive as soon as possible."¹

A letter from Col^o. *Goose V. Schaick*, dated the 29th of August, was read and filed and is in the words following:

(Extract)

Albany, Aug. 29th 1775

Gent: I am at present stationed at *Albany* by General *Schuyler* to forward the troops, that arrive here, to *Ticonderoga* and it gives me pain to inform you, that Col^o. *Clinton* arrived here with the other Field Officers and six Companies of his Battalion, five of which are armed but in bad repairs . . .

Col^o. *Van Cortlandt* is also arrived here with five Companies of *Holmes'* Battalion, who have not arms sufficient to supply one Company . . .

I must also inform you, the men are much discontented for want of their pay, and do assure you, that the service greatly suffers. There is scarce anything to be heard in the Camp but Mutinies. I have for that purpose wrote to Mr. *Jonathan Trumbull Jun^r*, who I am informed is appointed Deputy Pay Master General . . .

Nine of my Companies are up at *Ticonderoga* with the other two Field Officers in actual service and the last will march to-morrow. . . .

² By a resolution of the Continental Congress, adopted on the 29th of July 1775, the following pay-table was established: The pay of the Commissary-General of Musters to be 40 d per mo. Of the Dep. A draft of a letter to the Delegates of this Colony at Continental Congress was read and approved of and is in the words following, to wit:

In Provincial Congress at *New York*.October 4th, 1775.

Gentlemen: Agreeable to your request we inform you of the state of the troops, raised by this Colony for the Continental service.—Eight Companies of the 1st or Col^o. *McDougall's* Regiment, compleatly appointed, are now in actual service in the Northern Department. The 9th Company is ready, compleatly armed and equipped, and wind and weather permitting will sail for *Albany* to-morrow. The 10th Company will be armed and equipped and we hope ready to depart next week. The first detachment of this Regiment under Lieutenant Colonel *Ritzema* had proceeded as far as *Half Moon* before the 10th of *August*.

The second or Colonel *Van Schaick's* Regiment is compleatly equipped and in service at the outposts; four Companies of this Regiment were raised early in the month of June and three of those Companies then proceeded as far as *Lake George*. The other companies of this Regiment were at and about *Albany* under the command of General *Montgomery* and we cannot ascertain the time of their departure.

Seven Companies of the third or Colonel *Clinton's* Regiment are also in service at the outposts. The 8th and 9th Companies proceeded early last week from hence on their way to *Isle aux Noix*. The 10th Company is come to *New York*, wants a few muskets and will be ready and proceed this week. It may be proper to inform you, that the three last mentioned Companies of this Regiment were sent out and detained for some time at the East end of *Nassau* Island by order of Congress, to prevent the ministerial troops from carrying off the sheep and cattle from thence, the inhabitants of *Suffolk* County having armed them while in that service.

The fourth or Colonel *Holmes's* Regiment is now at the outposts; part of this Regiment was

obliged to be detained at *Albany*, until arms could be procured for them, but the last Company proceeded down Lake *George* the 27th of September.

The first and second Regiments and some part of the other Regiments are armed with the best of muskets and bayonets and the others with firelocks of the widest bore, which could be found, repaired where it was necessary, and fitted; all our troops are furnished with belts and pouches for nineteen cartridges, bayonet belts, musket slings, blankets, coats, canteens, haversacks, &c. A great part of our arms have been procured by purchase; some have been hired — and from necessity, to compleat some Companies, a few arms have in some places been impressed.

* * * * *

It may be proper to mention to you, that besides the troops above mentioned we raised a Company of Artillery, consisting of 70 men compleatly appointed; they are now with the Army. When this Company was formed, the Continental Congress had not made an establishment for Artillery. The Congress of *New York* put this Company on the footing of the *Rhode Island* establishment as to their pay, which was the only one known at that time. They are a good Company, well armed, many of them bred in Artillery service and much wanted. They were raised on the faith of being put and kept on the like pay as the *Rhode Island* Artillery, before we knew what the Continental pay was. We entreat, you would intimate this to the Congress and get the *Rhode Island* establishment confirmed for this Company.

We are &c.

* * * * *

6. Your Committee further report, that it is their opinion, that four Companies of Matrosses, consisting of 80 men each, will be necessary to occupy the Forts on *Hudson's* river, when completed, and that one Company at least should be immediately enlisted for that purpose, and that it will be proper to write to the Continental Congress for their direction on this subject.

In Provincial Congress, Decbr 8th 1775

Sir : * * * The delay in our meeting has prevented the raising the Artillery Company directed by Congress. — We have nominated Captain *John Grennell* of Col^o. *Clinton's* Regiment as the most proper person we can meet with for the command of a Artillery Company ; he now commands a detachment of that Regiment at the post in the Highlands, from whence we cannot call him without leave of the Congress. As his Company is at present incompleat and the time of inlistment is nearly expired, we beg leave to suggest, whether it would not be proper to leave the Company under the command of his first Lieutenant for the present. We pray the sense of Congress on this matter as soon as possible and at the same time to be informed, what is the establishment of the Artillery with respect to pay, cloathing and arms. We beg leave to inform the Congress, that in obedience to their Order three Companies of Minute Men, they directed, with their proper Officers are stationed in the Highlands near the Fortifications & under the command of Capt. *John Grinnell*, the present commanding Officer of the Continental Forces at the Fortress.

APPENDIX to the Rules and Orders for regulating the Militia of the Colony of *New York*.

1st. As the desire for promotion in the public service is extremely laudable and therefore should be so far incouraged, as may be consistent with the safety of the public and at the same time may not be construed into a design of countenancing promotions of course, it is earnestly recommended to every Company, to have a regard in elections to promote to Officers according to rank, so far as may be consistent with true merit and ability to serve the public.

2^d. That wherever a sufficient number of Minnte Men do not voluntarily turn out of any Regiment of the Militia of this Colony, to compleat the proportion in the aforesaid Rules and Orders required, the deficiency be made up by lot from those Companies, in which such deficiency shall happen.

3^d. That the Militia of the Counties of *Dutchess* and *Westchester* be two separate Brigades.

4th. That when any person shall think himself aggrieved with respect of his being fined in consequence of the above mentioned regulations, the Committee of the City, Town, Manor, Precinct or District, where the cause of complaint ariseth, upon complaint made to them, shall have power to hear and determine the matter, and if said complaint shall appear to be groundless and vexatious, the complainant forfeit a sum equal to the fine in dispute to be levied upon his Goods and Chattels by warrant from the Chairman directed to a Sergeant of the Company. The said forfeiture to be applied in the same manner, as the fines in the before said Regulations are applied, — and that no man shall be fined for want of powder and ball, who shall produce a receipt from his Captain of his having deposited in his hand Six Shillings and Nine pence for the purchase of these articles.

12th. *Resolved*, that the Officers of the Minute Companies already chosen, do continue their Officers 'till the further orders of this or some future Congress.

DIE JOVIS, 10 HO. A. M. DECEMBER 21st 1775.

The Congress then proceeded to fix and determine the Rank of the Militia Officers of the several Counties in this Colony in order to enable the Committee appointed for that purpose to form and report a general Regulation for the Militia of the Colony and after some time spent thereon, the Congress determined the Officers of the respective Counties to have Rank in the following order, towit:

DIE SABBATI, 10 HO. A. M. JAN^y 6th 1776.

Whereas it is the opinion of this Committee [of Safety] that an Artillery Company is absolutely necessary for the safety and defence of *Suffolk* County and for the protection of the Continental cruisers in the Sound, that some of the inlets of that County be fortified with cannon, and to those ends, that a regular Company of Artillery be constituted out of the Militia of that County,

Resolved, therefore, that it be and it hereby is most earnestly recommended to the Committee of the said County without delay to form such a Company as aforesaid to consist of one Captain one Captain Lieutenant, one Lieut. Fireworker and 95 non-commissioned Officers and Privates and that the said Artillery Company shall to all intents and purposes be considered as Minute Men.

DIE VENERIS, 10 HO. A. M. JAN^y 12th 1776.

The Committee of Safety then took into consideration the report of a Sub-Committee of the General Committee of the city of *New York* delivered in parol some days past to the following effect, to wit: That a certain *Benjamin James*, who had been chosen Cap^t. of one of the Companies of Militia in the City of *New York* had refused to subscribe the Declaration mentioned in his commission, as necessary to his Entering on the Executing that office; That on a new Election being ordered in that Company for a Captain, the Company re-elected the same Person and refused to elect any other; — That there are some other instances of the like kind and the persons exercising Military Offices in the [like] predicament.

The Committee are of opinion, that the best remedy for Inconveniences would be a Resolution of the Continental Congress or in their recess of the Committee of Safety for the time being, to exercise their discretion in appointing proper Officers without such Election, whenever Occasion may require.

Thereupon a draft of a letter to the Delegates of this Colony on the subject of appointing Officers in such cases was read and approved of. * * *

Messrs. *Low*, *Bancker*, *John Reade* and *Denning*, a Sub-Committee from the City Committee attending, were admitted. They informed this Committee, that they were charged with two different matters from the Committee of the City. — The one, that the Military night watch in this City is very frequently not to be depended on, — That it very frequently happens, that the Captains or Officers do not know the greater part of the Ground, and that there are some Companies many of which are not trustworthy, and Mr. *Denning* said, that when he lately had the care of the guard, he had many persons in his guard, to whom he could not think it prudent to communicate the countersign, — That the City Committee are of opinion, that the most proper method to guard this City is to raise a Regiment in this City in Continental pay; and Mr. *Denning* alledges, that there is a great number of men in this City, who would willingly enlist for that purpose, provided they can be ascertained, that they will not be ordered out of the Colony on any Continental duty.

A letter from the Honorable *John Hancock* Esq^{re} dated the 12th of January Inst. was read and filed and is in the words following to wit:

(Extract)

Philadelphia Jan^y 12th 1776

. Providence has hitherto been pleased to crown our attempts with success, but from the steps taken by Governor *Carlton*, there is reason to apprehend, our enemies, among their first attempts in the spring, will endeavour to recover the possession of that Country [*Canada*], as well to retrieve their honor, as to carry into execution their execrable designs against us. To counteract their designs and prevent this Calamity, the Congress have resolved to employ nine Battalions the present year for the defense of *Canada*. One of these is to be composed of *Canadians* under Col. *J. Livingston*, who has so eminently signalized himself in the cause of *America*. Two are to be composed of the Troops now serving there, an honor due to the merits of those brave men, to have an opportunity of defending a Country, which their valour has rescued from slavery, — Three are to be sent from *Pennsylvania* and *New Jersey*, of which two are now under marching orders, The other three are to be raised to the Eastward, as you will see by the enclosed Resolution, viz^t. one in your Colony under the command of Col. *V. Schaick*, Lt. Col. *Yates* and Major *Gansevoort*, who as Gen^l. *Schuyler* informs Congress, are desirous of continuing in the service, one in *Connecticut* and one in *New Hampshire*.

* * * * *

(Extract from another letter of *John Hancock*, Jan^y 20th 1776):

“The Congress rely with confidence on your Zeal for the cause, that you will exert your utmost endeavors, to hasten the march of the Troops ordered to *Canada* and to raise those destined for the defense of your Colony; herewith I send you blank Commissions for the Officers under the rank of Majors, which you will please to fill up; on the recommendation of Gen^l. *Schuyler* the Congress have continued Col. *V. Schaick*, Lieut. Col. *Yates* and Major *Gansevoort* in the service of the United Colonies and appointed them to the Command of the Battalion to be raised in your Colony for the defense of *Canada* and they have directed me agreeable to an established rule, to request, you would please as soon as possible to transmit the names of a number of Gentlemen, whom you shall Judge duly qualified, at least two for each command, out of whom they may elect Field Officers for the other Battalions.

I inclose you the Commissions for the Officers under the rank of a Major for the *Canada* Battalion.

A Certified Copy of sundry Resolves of the Continental Congress of different dates from the 8th to the 20th Inst. was read and filed and is in the words following to wit:

* * * * *

In Congress, January 19th 1776.

Resolved, that four Battalions be raised in the Colony of *New York* for the defense of that Colony upon the same pay with those, directed to be raised in the Colony of *Pennsylvania* and that they be stationed, as the commanding Officer of the *New York* Department shall think best, to garrison the several Forts in that Colony from *Crownpoint* to the Southward and to prevent depredations upon *Long Island*, and promote the safety of the whole.

That for the more speedy Raising the Battalions, ordered on the 8th of January to be raised it be recommended to the general Assemblies, Conventions or Councils or Committees of Safety of those Colonies respectively, to exert their utmost endeavours in raising the said Battalions upon the same pay and subsistence as the army at *Cambridge* and to furnish them with provisions, ammunition and other necessaries for expediting their march to *Canada*; and for further encouraging the men more cheerfully to enter into the service of their country, to give a

bounty of 6 2-3 dollars to every ablebodied effective man, properly clothed for the service and having a good firelock with a bayonet and other accoutrements, and 4 dollars to every soldier not having the like arms and accoutrements; the arms to be supplied by the Colony and the cost to be deducted out of the soldier's pay; and also to provide blanket and haversack for every inlisted Soldier, and moreover to advance one month's pay to every Officer and Soldier before their march, that they may be able to purchase necessary cloathing.

That the first two Companies, which shall be complete of every Battalion do march to that Country, as soon as they shall be ready and be followed in the same numbers with like expedition by the rest of the Corps.

In Congress, January 17th 1776.

Resolved, that the Colonels of the several Battalions, ordered to be raised, do immediately order their Officers on recruiting service to such parts, where they are best known and have the greatest probability of success.

That the Recruiting Officers ought to be carefull to inlist none but healthy, sound and able bodied men, not under 16 years of age.

That the Colonels of the aforesaid Battalions appoint some place or places of rendezvous, to which the recruits may be sent, and where the Battalions may be quartered.

That the greatest attention ought to be paid to the behaviour of the Troops in quarters, that they may give no reasonable cause of complaint.

That the quarters of the Troops be duly discharged once every week.

That an allowance of 10s. p^r man be made to the Recruiting Officers in lieu of their expenses in recruiting, exclusive of the subsistence money allowed them, and that in case any man be inlisted contrary to the foregoing regulations, the pay they may have received and the subsistence money, that may be paid for them shall be stopped from the pay of such Recruiting Officer.

That no bought [or] indented Servants be employed on board the Fleet or in the Army of the United Colonies without the Consent of their masters.

3^d HO. P. M. DIE VENERIS, JAN^y 26th 1776.

The Committee resumed the consideration of the Resolves and Letters rec^d from the Continental Congress on the subject of raising Troops; after some time spent therein the Committee sent for Col^o. *Lasher* to know his sentiments on a Declaration, lately made by him to one of the Members, that if any more Troops were raised, the Battalion now under his command would in General be very desirous to be taken into the public service and pay. — After a short conference with Col. *Lasher* and delivering to him a copy of the Resolves of Congress for raising four Battalions for the defense of this Colony, he was desired to confer with the Officers of his Battalion and report the result thereof to this Committee.

This Committee conceiving, that the speediest method of fixing on proper Officers for the four Regiments to be raised in this Colony and of being informed of the number of men, that may probably be enlisted in each County, is to write to the County Committee of the respective Counties in this Colony. Thereupon a draft of a Letter for that purpose was read and approved of and is in the words following towit:

“Gentlemen.

By resolves of the Hon^{ble} the Continental Congress lately come to hand, this Colony is to raise four Regiments in Continental pay for the defense of the Colony.

We conceive, that the Troops will be most speedily raised by having proper Officers taken from different Counties, where there are proper men, who will enlist.

We therefore request you, with all possible dispatch to inform the Provincial Congress or this Committee of the number of men, which you have good reason to believe may be speedily raised and equipped in your County, and at the same time that you, with the advice of as many of the Deputies of your County to the Provincial Congress, as may conveniently be obtained, recommend several proper persons for Captains, Lieuts. & Ensigns, who will be most likely to raise the men.

We request in all cases, where it can conveniently be done, that you recommend two proper persons for each office, that the Provincial Congress may have an opportunity to chuse the one they think best qualified.

A draft of a letter to General *Schuyler* was read and approved of and is in the words following, to wit :

In Committee of Safety, *New York*, Jan^y 31, 1776.

Sir :

We had the honor some time since of transmitting to you a Resolve of Congress for reducing the Battalions now in *Canada* to two and for raising a new Battalion for the *Canada* service under the command of Colonel *Van Schaick*. This regiment must for the most evident reasons be raised in the Northern Quarter, and we flatter ourselves you will look to the appointment of the Officers, for whom we shall without delay make out the necessary Commissions (for which we are possessed of Blanks), as soon as you will favor us with a roll for that purpose.

* *Hartell* states in his paper, that he had served as Captain and Lieut. in the army of the King of *Hungary* until May, 1773, Sergeant in the Royal Americans in the siege of *Havanah*, when the Regt. was disbanded. He was a tobaccoist at the time.

A Letter from Col. *Thomas Palmer* dated 25th Inst. was read and filed and is in the words following to wit:

To the Hon^{ble} Committee of Safety
for the Province of *New York*

Gentlemen:

The Convention for this County at their last Session passed a Resolve, that no person shall enlist under a Minute Capt. in any other Town or Precinct within the County, Except that in which he resides. What views the Convention had in passing this Resolve I know not. But the Consequences resulting from it is already too conspicuous to our damage — as it is the only means, whereby two Minute Companies now recruiting (the one in *New Windsor* and the other in *New Burgh* Precinct) cannot be filled up, as their former mode having been to fill up their Companies out of the different precincts in such manner, as to be nearest their Officers, and most compact and handy for exercising their men, which in my opinion is the most Eligible — and in that way the Companies, which are already raised and whose time wont expire untill spring were filled up,— and a considerable part of those Companies, made up out of the precincts of *New Windsor* and *New Burgh*, — so that the two Companies now recruiting being under the restriction of the said County Resolve cannot obtain a competent number of Men and even suppose we were Just now setting out to raise Minute Men under the Limits of such a Resolution, it would be most absurd in its nature — as the number of the Militia are more or less according to the Extent and popularity of the Town and Precincts and the fourth of the Militia in some may not amount to a Company and in others more and perhaps not quite two Companies, so that it is absolutely necessary, that the Minute Captains may raise their Companies any where (at least) within one Militia Regiment, in which he may reside. This affair is likely to make much uneasiness and had this not happened, the Companies would easily been made out without the disagreeable necessity for Balloting, agreeable to your late Resolve, which will be a step that many begins to grumble at, for some says by that means there is a compulsion on men, who are disaffected to the cause as well as to such other persons, as the circumstances of their families &c may render it disagreeable to be obliged to turn out, and acts of constraint ought (if possible) to be avoided. — I must therefore beg you will take the premisses into your Immediate consideration & should you be of opinion with me, that the said Resolve is attended with the Consequences aforesaid, that you will be pleased by a Resolution of your House to counteract the same by a line to the Chairman of the said Convention or by some such other ways and means, as in your wisdom you may Judge best. I need not remind you, that the Resolves of the County Convention and Sub-Committees within this Province are ever subject to your approbation or disapprobation.

I beg leave to observe with the utmost concern, that no measures are yet going on for Expediting our Fortifications at *Puplopes Point*. The River being now frozen, so that the timber for the Barracks, which now chiefly lies at *New Windsor* may be carried in sleds down to *Puplopes Point*, which is most necessary in order for a House for Labourers, and no better time than the present for Collecting other necessities back in the woods and bringing them on the spot in order for the Fortification.

A Letter from *Wm Smith Esq^{ro}* Chairman of the Committee of *Suffolk County* was read and filed and is in the words following, to wit:

Suffolk County Jan^y 24th 1776

Gentlemen :

In pursuance to your order we have appointed the Field Officers for the Minute Men in this County & also the Officers for the Artillery Company, which Companies we trust will be some security to this County; at the same time this Committee beg leave to mention, that the Militia of this County but little exceeds 2000 — the great exposedness of the East end & the extensiveness of the County induces us to desire, such number of Continental Troops may be stationed here, as the Congress in their wisdom shall Judge necessary — we make no doubt the Continent proposes to protect and defend this Island and hope you will use your endeavours, that a sufficient force may be posted here for that purpose.

We have a number of poor men in this County, who are good Soldiers and friends to the Cause & would be glad to enlist as Minute Men but have no Guns — we should be glad to know, if a number can be procured at the public Expence for such persons as are unable to purchase them.

* He claims to have been Senior Second Lieutenant and Adjutant of his Regiment, not named, while the letter from the two *Livingstons* says, he was a Private in the Independent Company of Fuseleers, of which *Henry Livingston* was Capt. Lieutenant.

The situation of this County in many parts makes it extremely difficult to raise and train the Minute Men; they complain they are not sufficiently paid considering the great distance they have to travel, many 8, 10 & 12 miles & that on foot to Exercise, the Officers also on the same acct. are at considerable expence, besides the expence raising of their Companies & pray they may be considered.

Oxford, February 9th 1776.

Gentlemen : In consequence of your letter of 26th ult^o. I convened our County Committee on Tuesday the 6th Inst. & laid the matter before them, relative to the raising of men for the defence of this Colony,—the same being taken into consideration the Committee are unanimously of opinion that there can be three Companies raised in this County, viz^t. 2 on the North and one on the South side of the Mountains and have nominated the following persons for Officers to raise the two Companies on the Northside towit in *Goshen* Regiment : *Dan^l. Denton*, Capt., *Balthazar De Hart* 1st Lieut. *George H. Jackson* 2^d Lieut and *Sam^l. Carpenter* Ensign : In *Cornwall* Reg^t. *Seth Marvin* Capt. *James Little* 1st Lieut. *Nathan Strong* 2^d Lieut. and *Stephen Halsey* Ensign. . . . — but at the same time the Committee think it will out of their power to arm any considerable part of the men they raise, on account of the quantity they furnished last year — none of which have been returned, and must therefore leave that matter with Congress — they are also of opinion, that it would be of bad consequence, to nominate more than one set of Officers to each Company and have therefore declined it.

Gentlemen : We the Committee of the Township of *Marble Town* are under the disagreeable necessity of troubling your Hon^{ble} Body, tho' as it is the first of the kind, we expect to be excused.

The matter we have to lay before your Hon^{ble} Board is, that in compliance to a resolve passed by the Hon^{ble} Provincial Congress the 22^d of August last there was an Election for chusing of Officers in the Company of the South West District of said Town and the following persons was chose by a very great majority, viz^t. . . . , which your Hon^{ble} Body has been pleased to commission. — These Gent^l. officiated each in their ranks with great Satisfaction, as far as we know, untill it pleased your Hon^{ble} Body to promote Capt. *Wynkoop* to a Major in Col. *De Witt's* Reg^t of Minute Men, after which there was a day appointed agreeable to said Resolve for filling up the vacancy by the Company's choice, when *John Hasbrouck*, a person not belonging to the Company nor even to the Reg^t. sot up or intended to set up for Capt. of said Company, which caused a great deal of confusion.

We therefore pray, that we may be informed as soon as possible, whether it is the opinion of your Hon^{ble} Body, that a Capt. should be chose or that the first Lieut. should be promoted and the other subalterns raise in rank & then an Ensign to be chosen, which we think is the most natural construction to be laid on the resited Resolve and if a procedure of that kind cant take place, your Honours may be assured, that Mr. *Broadhead* will resign and then a new Election must ensue, and in course more trouble of that kind ensue, but at the same time we are willing to comply with such directions, as we may receive from your Hon^{ble} Body.

The latter part of your respectable favor directs us to nominate two Gentlemen for each Office, that you may have an opportunity of chusing the one you think best qualified. A Letter from Major Gen^l. *Lee*, submitting to the Congress . . . the Establishment of a Company of Artificers &c was read and filed and is in the words following to wit :

(Extract)

. As in all probability a considerable Body of Troops will be stationed in this City and its environs during the present contest, I would take the liberty to propose to the Congress the establishment of a Corps of Artificers, such an establishment is not only necessary for the different military works, but I apprehend it will answer very materially in point of economy ; there is another circumstance, I must beg leave to mention, it is, Sir, to appoint some person as Commissary to receive, take care of and be responsible for the various sorts of Military Stores now in our hands.

I am, Sir,

Your most obedient Servant

CHARLES LEE.

IN CONTINENTAL CONGRESS, FEB^r 5th 1776.

Resolved . . . That Gen^l. *Schuyler* be desired to issue warrants for compleating the Regiment directed to be raised in *New York* for the service of *Canada* and that it be recommended to the Convention of that Colony, to appoint such Officers thereof as Gen^l. *Schuyler* hath nominated.

That Gen^l. *Schuyler* be desired to employ such Batteauxmen as are in or near *Albany* instead of those it was recommended to the Convention of *New York* to procure.

DIE JOVIS, A. M. FEB^r. 15th 1776

A Letter from *Tho^s Palmer* Esq. inclosing an agreement and the names of a number of [57] men, who have agreed to enlist under Mr. *W^m Martin* as their Captⁿ in the Troops to be raised for the defence of this Colony, as also an extract of the proceedings of the Committee of *New Marlborough* approving of & recommending the said *William Martin* as a Captⁿ in the said Troops to be raised, was read.

A Letter signed by Capt. *Samuel Jones* and several others dated at *Goshen* Febr^r 9th 1776 was read and they thereby request that this Congress will favour the County of *Orange* with part of the Field Officers for the Troops intended to be raised in this Colony and they recommend Mr. *Israel Wells* as one of the Majors.

[The letter is signed by: *Samuel Jones*, Capt., *James Sawyer*, *Jacob Arnout*, *George Thompson*, Capt., *Moses Hetfield*, Capt., *John Jackson*, Capt. *Dan^l Everett*, *Joseph Wood*, *John Denton*, *W^m. Thompson*, *John Wood*, *Jacob Dunning* & *Peter Gale*.]

The Committee appointed to consider of the resolves of Congress, relating to the ensuing Campaign, delivered in their Report in the words following, to wit:

Your Committee beg leave to Report the following Resolves:

1st. That for the more expeditiously compleating the enlistment of the four Battalions to be raised for the defence of this Colony, it is necessary, that a proportionable number of men be allotted to each County.

2^d. That a sufficient number of Officers be appointed in each County to command the men to be raised in the same.

3^d. That in the appointment of such Officers, those who have served their much injured Country in the last Campaign ought to have the preference.

4th. That when there are not a sufficient number of old Officers, who chuse to serve in any one County, the deficiency ought to be made up out of those, who are recommended by the respective County Committees.

5th. That a letter be wrote to the several County Committees inclosing the 3^d & 4th of these Resolves together with blank Warrants for the Officers to be appointed in each respective County.

6th. That two Gentlemen be held up by this body, to the Continental Congress, to fill each place as field Officers in the four Battalions to be raised in this Colony and that such Field Officers, as have not been in actual service, be chosen from the several Counties, where the men are raised, in as equal proportions as may be.

7th. That the Colonel of each Regiment appoint the Adjutant and Quarter Master.

8th. That the Chaplains, Surgeons and Surgeons' Mates be appointed by this Congress.
All which is humbly submitted.

The said Report being read was ordered to be read a second time — and being again read paragraph by paragraph — The Congress agrees with their Committee in their said Report.

Mr. *Covenhoven* dissents.

Col. *McDougall* from the Committee appointed yesterday to report on Major Gen^l. *Lee's* letter, relating to the appointment of a Commissary for the Continental Artillery Stores and the appointment of a Company of Artificers, delivered in their report, which was read and is in the words following to wit :

The Committee appointed to consider of and report on the subjects recommended to Congress by Gen^l. *Lee's* letter of the 14th Inst. do report :

That a Commissary is necessary to take the charge of the Continental Stores in this City and the neighbourhood ; that they recommend Mr. *Hugh Hughes* for that Office & that a letter should be wrote to the Continental Congress informing them of this appointment and requesting to determine what pay he shall have.

That a Company of Artificers is also necessary to be immediately embodied, because the works to be erected will require the assistance of Carpenters and Blacksmiths without delay and unless this Company is embodied the Gen^l. will be obliged to employ a number of Tradesmen at daily wages, which will incur a greater expense to the Public, than would be created by the Company above mentioned. — That they are of opinion, that the Company should consist of about 60 Men, Officers included ; that one Capⁿ and two assistants will be necessary ; that the Capⁿ. of the Company should be a Carpenter and have the pay of a Captain of a marching Regiment ; that one of the assistants should be a Blacksmith, the other a Carpenter ; that the assistants should have a Lieut^l. pay in the marching Regiments ; that they are informed the privates of the Companies of Artificers in the Camp near *Cambridge* have 10 dollars p^r month and that the privates of this Company should have the same pay. — That from the information they have received from the Officers of the Train with the Gen^l. the Capⁿ. of Artificers has three rations, the assistants two and the privates one. — That they recommend Mr. *Anthony Post* as a fit person to be the Capt. of the Company of Artificers.

All which is humbly submitted to the Congress.

The said Report being read, was ordered to be read a second time and being again read paragraph by paragraph and amended was agreed to.

A Return from *Elihu Marvin* Esq^r Chairman of the Committee of *Orange County*, bearing date at *Oxford* on the 15th Inst. returning the names of proper persons for Officers in that County was read and filed and is in the words following towit :

In County Committee Febr 15th 1776.

Gent^{rs} : When this Committee made report to your Hon^{ble} Board of the number of men they conceived this County would be able to raise for the defence of the Colony, agreeable to the resolves of the Hon^{ble} Continental Congress for that purpose provided, it was a received opinion amongst them, that the men were to be Inlisted for not more than one year certain and a Continental member then present forwarded the opinion, — but Mr. *Seth Marvin*, whom they nominated & returned for Capt. of one of the Companies, Informs that there was no certain period of Inlistment, but that they were to continue in the service during the pleasure of Congress and therefore declined taking his permit, untill he had taken the further advice of this Committee. — The Committee would therefore beg leave to inform your Hon^{ble} Board, that they think it very unlikely, that they will be able to raise the number of men they proposed upon such principles and if they can, they are very sure, that none but the lower class of mankind will inlist and these they conceive not to be the men to be depended on, whereas on the other hand, if men were to be inlisted for one year only, they are very certain, that there would be many Volunteers out of good familys, men that might be depended on and that would fight upon orinciple, if they were bro't to a trial.

The Committee also conceive, that a certain period is necessary to Inlist men upon and if it was two or three years, that it would be better than during the pleasure of Congress, they would be glad therefore, some certain time might be fixed on, but if that cannot be done the Officers are willing now to take the permits and make trial, but fear the consequences.

Mr. *Nathan Strong*, one of the Officers nominated under Mr. *Seth Marvin* will receive the permits for that Company.

Ordered, that it be referred to the Committee appointed to settle the Quota of Men and Officers to be raised in the different Counties in this Colony.

DIE SOLIS, 10th HO. A. M. FEBR 18th 1776.

Col. *Hay* from the Committee appointed to apportion the different quotas of men and Officers under the rank of Field Officers to be raised in the different Counties in this Colony to form the four Regiments ordered to be raised in this Colony, delivered in their report, which was read and the same being read a second time and filed, is in the words following towit :

Gentlemen. Whereas Capt. *Billings* from *Poughkeepsie* has marched with what men he had Inlisted for the Continental Service without any orders I conceive — At his arrival in Town made application to me to Join my Reg^t. as he was entirely destitute where to go, I admitted him for the present to Join, 'till I could have your sentiments thereon, as it is essential to know immediately, as I must make a Return to the Gen^l. of my Regiment and of the effective Arms and have them compleated to 20 rounds per man.

Mr. *Hobart* according to order reported a draft of a letter to the County Committee in each respective County in this Colony, where Troops are to be raised, which was read and approved and is in the words following, towit :

In Provincial Congress *New York* Febr 18th 1776.

Sir : The Congress having determined, that your County shall have the opp^t of raising Companies in the four Regiments to be raised by order of Continental Congress for the defence of this Colony, have resolved that blank warrants for the Officers of the same shall be sent to your Committee. You will observe by the inclosed Resolves, that you are restrained in the appointments to give the preference to such persons, as have served their Country in the last Campaign, but it is not by any means the design of Congress, that men who have misbehaved themselves should be any further employed.—It is expected, that the people will readily enlist in these Reg^{ts} as they are raised for the express purpose of defending this Colony & unless we raise them from among ourselves in all probability they will be sent from other Colonies, which will be to our everlasting disgrace. We have great Confidence in your Zeal for the Common Cause and trust you will exert yourselves, that these Levies be compleated with all possible dispatch.

P. S. It is expected that each man furnishes himself with a good Gun and Bayonet, Tomahawk, Knapsack or Haversack and two Bills, — but those who are not able to furnish these arms and accoutrements, will be supplied at the public expense, for the payment of which small stoppages will be made out of their monthly pay, 'till the whole are paid for, then they are to remain the property of the men.

A Letter from Col. *Swartwout* dated this day, inclosing returns of such Companies of his Reg^t. as are present on duty was read and filed and is in the words following to wit :

New York, 20th Febr 1776.

Gentlemen : By the within enclosed returns you will see that those Captains in Town of my Reg^t. have small Companies, but at the same time nigh a full sett of Officers. I expect the following Captains in hourly, towit : Capt : *Woodford* from *Pawling's* Precinct, Capt. *Ludinton* from *Frth* Precinct, Capt. *Clearch* from *Beekmans* Precinct, Capt. *Durling* from *Rumbout* Precinct. — Should it be the same case with the last mentioned Companies to have so few men & Officers compleat, it will be necessary for your Hon^{ble} Board to fall on some plans either by sending to the several Cols. of Militia of our County to draft a sufficient number of men to fill the within mentioned Companies or by reducing the Officers to a proper number. If you should Judge the latter to be the best — probably it would suit many of the Officers to return to their families, as it answers no good purpose to have so many Officers, when so few men, but on the contrary create great cost — as it is natural to expect where Troops are Ceap there will be disorders attending them — as we have no Doctor for said Regiment, should be glad that D^r *Tappen* might be appointed for that purpose, as we have an overplenty of Officers — I have no other view in writing the foregoing than to acquaint you with the State of the Regiment.

I am &c

JACOBUS SWARTWOUT, Colonel.

The returns of the Companies of Col. *Swartwout's* men were read and filed and are in the words following towit:

The Members from the City and County of *Albany* informed the Congress, that sundry mistakes were made thro' haste by the County Committee and Field Officers in arranging the Reg^{ts} of Militia in that County, whereby many Companies were very inconveniently placed under Field Officers at a distance from them and in other instances Companies out of one Vicinity placed in different Reg^{ts}. That a more convenient arrangement of the Militia of that County is now made, but to carry it into execution, it will be necessary to have some of the Commissions altered and new Commissions issued in other instances, of all which alterations, amendments and arrangement they have now produced a compleat form or list.

Ordered, that all the amendments and alterations be made and such new Commissions issued as will be necessary to compleat the arrangement of the Militia of the County of *Albany*.*

A Letter of the 9th Inst from *Zephaniah Platt*, Chairman of the Committee of *Poughkeepsie* was read and filed and is in the words following towit:
Gentlemen:

Inclosed you have a letter to Congress in answer to one from the Committee of Safety of 26th Ult^o. informing that 4 Regiments are to be raised for the defense of the Colony & desiring to know what number of men can be speedily armed and raised in the Country. — For the reasons mentioned in our letter, you will observe that we have resolved, that only 3 Companies can be compleated; however we conceive, that if it was stipulated, that these Troops are to remain within the Colony, we would furnish a greater number of men, as many would in such case enter in the service, who would otherwise be deterred thro' fear of being sent upon distant disagreeable service; for this reason we would wish, you would, if you conveniently can, acquaint us with the particular destination of those Reg^{ts} & how far we may venture to engage with Officers & Men, that they shall not be obliged to march out of the Colony. — We are directed to inform you, that the Committee recommended Mr. *Rob^t Freeman* for the Commission of 2^d Major in Col. *Sutherland's* Reg^t vacant by the Resignation of Mr. *Cantolin*. You please to procure & transmit us his Commission as soon as possible.

The Committee of War having taken into consideration Col. *Swartwout's* letter of the 20th Inst. with the Returns of the several Companies of his Reg^t, now on duty in this City, & finding that there is by much too great a proportion of Officers for the men already here and that it will probably be the same case with the Companies now on their march to join the Reg^t. are of opinion, that Col. *Swartwout* be directed to appoint a proper number of Officers to the several Companies according to the Regulations for the Militia & that he order the supernumerary Officers to return with all possible dispatch to the County in order to compleat their Companies.

2^{ndly} That where any Officer of a Minute Company shall be unable or refuse to engage in this service, he be directed to supply their place by Officers of the same rank from the Militia.

3^{dly} That the men be enlisted to continue in the service till the first day of May next, unless sooner discharged.

Mr. *Thomas Smith* moved and was seconded for the following amendment, to wit; "*That the third resolve be obliterated.*"—Debates arose on the said motion and the Question being put thereon, it was carried in the affirmative

Resolved therefore, that the said third direction in the said Report be obliterated.—The first and second directions in the said Report being read a second time, The Congress agrees with their Committee thereon.

A letter from Gen^l. *Schuyler* at *Albany*, dated Febr 15th 1776, on the subject of the *Canada* Reg^t to be raised was read and filed and is in the words following, to wit:

(Extract)

If I do not misapprehend the Resolution of Congress for levying Troops for the *Canada* Service, the raising of Col. *Van Schaick's* Reg^t. is recommended to you as well as the providing them with the necessaries to enable them to take the field.—I have neither Arms, Blankets or Cloathing. These ought to be immediately procured.

I inclose you Copy of my Letter to the Gen^l. Committee of this County, which sits to-day, by that you will see what I propose to do. The nomination of such Officers as may be wanted, I must leave to that Body, which as it is composed of Gentlemen from every part of the County is more able to Judge of those, who are likely to raise the men, than I can be.

My Nephew, *Peter Schuyler*, a young Gentleman of about 30 years of age, wishes to be employed in some of the Reg^{ts} to be raised in this Colony as a Field Officer. I should be happy, provided he can be recommended without injuring others, that may have a better claim or giving umbrage.

(Extract from Gen^l. *Schuyler's* Letter to the *Albany* Committee):

You will perceive by the Resolutions of Congress, that the raising of Col. *Van Schaick's* Reg^t. was a service intended for the Provincial Congress or Committee of Safety, but since they have sent me the money [\$12500⁰⁰] and that the delay, which must necessarily be occasioned by refusing my Intervention may be prejudicial to the service at this advanced season, I will readily with your assistance undertake the business, provided you Judge it practicable to compleat the

Regt. in this Quarter. If not, I would only issue warrants to such Officers as served in that Corps last Campaign and are willing to reingage, which together with such other Officers (of which inclose a list) to whom warrants were issued for raising Troops without designing them particularly for any Regiment (and three of which have already enlisted near three Companies) will I apprehend nearly compleat the number of Officers,—a list of which I would transmit to the Colony Congress, that they may be sufficiently informed to appoint the Remainder.

Col. *Van Schaick* has my orders to inform himself, which of his Officers on this side of *Canada* will reingage, those in *Canada* will be provided for there.

A memorial of Capt. *Danl. Griffin*, Capt. *Jn^r. Johnson* and 13 other Officers was read and filed and is in the words following to wit:

To the Hon^{ble} Provincial Congress of the Colony of *New York*, now sitting in this City. The Memorial of several of the Officers in the service of the United Colonies by appointment of this Colony for the Duty of the year 1775, in the Northern Army,

Sheweth,

That your Memorialists having been called upon early in the present Contest, have willingly obeyed the summons and cheerfully entered upon any Command or duty assigned them, in full expectation of being on the same footing with the other Continental Troops raised for the General defence & whereas by good authority, we are informed that the allowance given the Eastern Army for Officers' subsistence is much more than that rec^d by your Memorialists, humbly request that the Commissaries may be ordered to pay us the difference of Rations, having some of us rec^d but one Ration and others no provisions since we entered the Service,—whereas the Capt^s. in the Eastern Army have from the first of July last, rec^d. three and the Subalterns two, whereby discontents are arising to the prejudice of that service, where harmony is essential for executing the purpose intended.

That your Memorialists being informed an additional number of Troops are to be raised in this Colony for the Continental Service, beg leave to remind this Hon^{ble} House of the services rendered the public by them and other Officers in the late year, hoping that the appointment may be such as will not supercede any Officer, who served with approbation and merit the late Campaign, not doubting but this House will pay a proper attention in the same; we mean not to dictate, but from a tender concern for the Character and honor of our absent Brethren, we are constrained to offer our sentiments thereon, least for want of Information an unintended wound may be given to that delicacy, which inspires the Breasts of Soldiers and in a great measure urges them to noble deeds and carries them through the Fatigues and Dangers in the Field, and we must add that a Soldier without a due sense of honor will not only be very unhappy in Corps he may serve in, but surely cannot be entrusted with the Defence of the Honor or Interests of the Public.

Your Memorialists relying on the candour of this House beg leave to sign in behalf of our

absent Brethren, praying as our duty is for the preservation of our valuable Rights and Privileges and for those who have direction of public business for that End.

The Congress are of opinion, that the first part of the Memorial would be a proper subject of application to Major Gen^l. *Schuyler* and *Walter Livingston Esq^r*, but not to this Congress — and that the latter part of the Memorial is already answered by a Resolve of this Congress of the 15th Inst.

Anthony Post, Cap^t. of a Company of Artificers delivered an estimate of the Tools necessary for each Carpenter in his Company and alledges that it will save public money, to direct the Carpenters to furnish their own Tools and to increase their wages from 10 to 13 dollars per month.

[Referred to a Committee, which reported, “that the list of tools exhibited by Mr. *Post* is sufficient for two men at least” and “that it will be a saving to the public to allow the sum of 10s. per month for the use of their own Tools.” This report was confirmed.]

The order of the day⁴ being again read, The Congress proceeded thereon — after some time spent and some progress therein — Gen^l. *Ten Broeck* moved and was seconded, that as this Congress is not properly informed, what promotions have taken place in *Canada*, without which we may greatly err and do injustice to or neglect Gentlemen of Character and merit, who have served during the last Campaign, that the further consideration thereof be postponed for the present & that a letter be written to the Delegates of this Colony at Continental Congress and another letter to Gen^l. *Schuyler* requesting, what Gentlemen are provided for. Thereupon a draft of a letter to the delegates of this Colony at Continental Congress was read and approved of and is in the words following towit :

In Provincial Congress *New York* Febr 22, 1776.

Gentlemen: This Congress earnestly solicitous to do the strictest Justice to those worthy Gent^{en}, who so readily turned out in the service of their Country the last Campaign and being entirely uncertain, what promotions have been made by the Continental Congress or any acting under their orders among the Officers, who served in the Troops raised by this Colony, take the liberty to inclose to you the Rank Roll of our 4 Reg^{ts}, requesting that you by the first post will inform us what promotions had been made, that we may be in a capacity to nominate to the Congress two Gentlemen for each Field Officer of the 4 Battalions ordered to be raised by this Colony — You will easily perceive, that unless we are furnished with such account we may neglect some Gentlemen, whose services may be of the utmost importance to their Country.

⁴ “For recommending to Continental Congress Field Officers for the 4 Batt^{ns} to be raised in the Colony.”

A draft of a letter to Major Gen^l. *Schuyler* was read and approved and is in the words following to wit:

Sir: We are ordered by the Continental Congress to provide for the Officers, who served in *Canada* the last Campaign, and understand that some of these Officers have been provided for by that Hon^{ble} Body: we should take it as a favour, that you would inform us, who those persons are, that we may be enabled to make a proper arrangement of the Officers to command the Reg^{ts} we are to raise. We are sorry to inform you in answer to your letter of the 15th Inst., that we are unable to supply Col. *Van Schaick's* Reg^t. with any arms, Blankets or Cloathing, having by no means a sufficiency for the equipment of those Troops, we are to raise. We highly approve of your application to the Committee of *Albany* for the nomination of Officers for Col. *Van Schaick's* Reg^t.; at the same time shall give you every assistance in our power. — We concluded that there was a large number of arms lodged at *Albany*, as but few of our soldiers have brought back their Arms, many of which belonged to this City, and we expected to have them to put into the hands of the Troops to be raised in this Colony and should be glad to know, what is become of those Arms.

As soon as we can procure the necessary information of the Officers provided for in *Canada*, we shall nominate the Field Officers for the Regiments we raise, when the nomination of the young Gentleman you mention shall be taken under consideration.

We are &c.

Col. *Humphreys* informed the Congress, that the Minute Men of his Reg^t. in particular and the greater part of those of the other *Dutches* and *Westchester* Reg^{ts}. inlisted in full confidence [that their pay] would be 53s. 4d. per month, the Continental pay of last year, that tho' many of them were lately inlisted, yet they knew not of the change of the Continental pay at the time of their Enlistment, That they have, since the publication of the present Continental Establishment been very uneasy, That if their pay is reduced to 40s. per month many of them will return from the service.

Ordered, that *Thomas Smith* draw a letter on that subject, stating their Case to the delegates of this Congress & requesting them to procure the pay of last year's Establishment for those Troops.

DIE VENERIS, A. M. FEBR 23rd 1776.

Col. *McDougall* recommended Mr. *Alexander Hamilton* for Capt. of a Company of Artillery, Mr. *James Moore* for Capt. Lieut. and . . . *Johnson*, who was in service last year & who was lately appointed by the Committee of Safety for first Lieut.

Ordered, that the appointment of those Officers be taken into consideration to-morrow morning.

A Letter from *David Pye* Esq^r, Deputy Chairman of the Committee of *Orange* County to the Congress and two letters from *E. W. Kiers*, one to *Jesse Woodhull* Esq and the other to *Thomas Smith* Esq. were read.

They thereby state their difficulties arising from the following matter, to wit: That their County Committee had recommended Officers for two Companies to be raised on the south side of the Mountains in *Orange* County;—That each of these Officers had been at Expense in preparing for the service and engaging men for a Company;—That only one Company being allotted by Congress to be raised in that part of the County each set of Officers claimed the preference and that to rid themselves of Jealousies and creating divisions they had returned the warrants and submitted to Congress to determine and fill up the warrants.

Congress determined that the said warrants be filled up in manner following to wit: for *Amos Hutchins*, Capt.

A Memorial of *Joseph Crane* bearing date the 24th Inst. setting forth his services in the last Campaign and praying the Care of an Artillery Company was read and filed.

Ordered, that the Consideration thereof be postponed until the appointment of Artillery Officers is resumed.

Mr. *Smith* in pursuance of an Order of last Thursday morning bro't in a draft of a letter relating to the pay of the Minute Men, which was read and approved and is in the words following to wit:

Gentlemen: The Continental Congress formerly directed us to raise Minute Companies in this Colony and established their pay when called into actual service to be the same with the pay of the Continental Troops; at the time we were ordered to form these Companies, the pay of a Private was fixed at 53s. 4d. per month and the men were raised on assurance, that they were to receive this pay and altho' some of the Privates have been inlisted since the 19th of January, when the new Establishment was formed, which reduced the pay to 40s. per m^o, yet the Officers not knowing of this reduction, inlisted their Privates on assurance, that they were to receive the pay of the old Establishment. These Companies are now called into actual service and are in this City; they express great uneasiness at being reduced to the pay of 40s. per month, while they were promised 53s. 4d. We are apprehensive, that the service will suffer by this uneasiness and as it is not in our power to remove the difficulty, we should be glad to take the sense of the Continental Congress and beg you would transmit it to us as soon as possible. It may be proper to inform you that the Officers are content with the pay provided by the first Establishment, tho' less than the last Establishment.

We are, Sirs &c.

A Letter from *James Duane* Esq. one of the Delegates of this Colony at Congress, dated 25th Inst. was read and filed and is in the words following towit.

(Extract):

. . . The Congress have also declared their Intention of promoting Capt. *Henry Livingston*, who came Express from Gen^l. *Montgomery* with the news of the surrender of *Montreal*, when an Opportunity should offer, but nothing has yet been done in his favour.

.

As *New York* was tho't to be in a critical State and no recommendation had appeared from our Committee of Safety of the Officers for the four Battalions, it occasioned much surprise and uneasiness and the Apology I was able to make, viz^t the expectation of a meeting of the Convention and the utility of their advice, which indeed depended on my conjecture, did not prove satisfactory. — It was said, that while everything was done for *New York* at the public Expense, that could be wished or asked, they neglected their own defence &c. — This produced a Resolution, that an inquiry should be made into your progress with respect to those Battalions. — Those Circumstances, if my memory has not failed, are all that have happened on this subject and which will suffice to convince you, that there is no obstruction in the way of your nominating the Field Officers agreeable to the recommendation of Congress. — You will doubtless see the propriety of despatch both on acc^t of your security and your Reputation, both of which no man can have more sincerely at heart than myself. —

* * * * *

Lieut. Col^o. *Ritzema* by request attended the Congress — being asked what has been done by Congress relative to the 2 Regts ordered to be formed out of the Troops in *Canada*, — Mr. *Ritzema* says, that there are about 900 men in *Canada*, that they are the remnants of all Corps, which have been there, and *cannot* usefully be formed into one or two Reg^{ts}. That the Congress have superceeded their former order to form 2 Battalions out of those Troops — That Mr. *Walker* has informed him, that Gen^l. *Wooster* had attempted to carry the order into execution and has failed — That he looks upon the Officers in *Canada* as unprovided for and that they look upon themselves so. — That a Committee of Continental Congress told him, that the Officers were to be provided for in the new Levies in their respective Colonies from whence they proceeded in the Service. That on the 15th Nov^r Gen^l. *Montgomery* new Arranged the Army and Mr. *Ritzema* read a Copy of the General's declaration to the Troops and the terms of New Enlistments. — That the Gen^l. by parole appointed the Field Officers, — That there remained in the whole about 1500 Stands of Arms, about 500 belonged to this Colony; that about 150 he left in 3 boxes in his rooms in *Montreal*. That the *New England* Troops carried off with them about 1500 Muskets, taken at *St. John's*, and that Col. *Warner's* party carried off all their arms. — Lieut. Col^o *Ritzema* then gave a particular account of all the Officers from this Colony now in *Canada*.

4th HO. P. M. DIE MERCURIJ, FEBR 28, 1776.

The Officers proposed for Artillery Companies in this Colony having by direction from this Congress been desired to attend and be examined by Capt^a *Smith* the Engineer, Col^o. *McDougall* delivered in a Certificate, which was read and filed and is in the words following towit:

February 26th 1776.

Agreeable to desire of Col^o. *McDougall* we have examined Mr. *Ja^s. Moore* & think him fit for a Capt. Lieut. of Artillery.

W^m SMITH, Chief Engineer¹
S. BADLAM, Capt. of Artillery

The said Certificate being satisfactory to this Congress, — *Ordered*, that Mr. *Jas. Moore* be appointed and he is hereby appointed Cap^t. Lieut^t. of a Company of Artillery in this Colony.

Col. *Sam^l Drake* of the Minute Reg^t from the County of *Westchester* attending at the door was admitted.

He informed the Congress, that four months, the time for which many of his Men had enlisted, was fully expired and that they demanded their pay. — That if he is enabled to pay them, many may probably enlist anew. — As Col. *Drake* has not a Muster roll of his Reg^t with him, the Congress agreed to advance him £300 on account.

* * * * *

Mr. *Smith* according to order reported a Draft of a Letter to the Continental Congress to cover the list of Gentlemen recommended for Field Officers of the 4 Battalions raising in this Colony, which was read and approved and is in the words following towit :

In Provincial Congress, *New York*, Feb. 28, 1776.

Sir: In obedience to the Resolution of Congress, we have now the Hon^r. to transmit a list of Gent^l. nominated by us as Field Officers for the 4 Battalions ordered to be raised for the defence of this Colony.

In this nomination we have endeavoured to pay due attention to the merits of those Officers, who served in the last Campaign and are willing to continue in the service; to those we have added a number of Gentlemen, who now tender their services to their country. — As soon as the Field Officers are fixed by Congress, we beg their Commissions may be forwarded. The other Officers are appointed and are recruiting in different parts of this Colony.

It may not be improper to mention, that some of the Captains and Subalterns, who served in our Reg^{ts} last year, are now in *Canada*. Those Gentlemen we have not been able to provide for in the 4 Battalions now raising, as we were uncertain, when they would return or whether they were not provided for in the *Canada* Reg^{ts}. We were apprehensive, if we provided for them in our Battalions, it might impend the raising the Troops and thereby injure the service. — In Justice to those Gentlemen we thought it our duty to mention this and to enclose a list of their names and doubt not but that their services will be duly considered by Congress and that proper provision will be made for them, if they are not already provided for.

We have the Honor to be &c

The Hon^{ble} *John Hancock* Esq
Pres^t of Continental Congress.

A Letter from Major Gen^l. *Schuyler* dated the 21st Inst. requesting Arms, Cloathing Blanketts, Pitch, Turpentine and Oakum was read and filed and is in the words following towit:
 (Extract)

. . . Measures are taken to compleat Col. *Van Schaick's* Reg^t. and hope with the Assistance, which the Committee of this City and County affords me, that it will be speedily accomplished. But I am distressed in the highest degree for Arms, Cloathing, Blanketts & every other necessary, I must therefore entreat that those things may be sent up the soonest possible

A Letter from Lient. Col. *Lewis Graham* dated yesterday was read and filed,— he thereby informs, that the Quarter Master of Col. *Drake's* Regiment¹ declines serving any longer & recommending Mr. *James Cock* as a proper person.

The Congress are of opinion, that the Colonels of the different Regiments of Minnte Men should appoint their own Quarter Master and give them warrants accordingly and that this method should be recommended to Col. *Drake* as occasion may require it and order that Mr. *Benson* by letter inform Lieut. Col. *Lewis Graham* of the Opinion of this Congress.

 (Extract:)

. . . I wish it was in my power to inform you what Officers from this Colony are provided for in *Canada*.—I have never been able to get a return from thence, since the order of Congress for raising two Battalions there, but as one of these Battalions I suppose will be Officered by the Officers from this Colony, you may make a probable guess of who will not be employed there from the enclosed list, on which they stand in the Order of their Rank in the Army.—I have also enclosed a list of such Officers as served last Campaign and are now part of Col. *Van*

Schaicks Regiments. Capt. *Billings* and *Hasbrock* and Lieut. *Whelp* had Warrants for raising men, but as I have never heard from them since they left this, I took no notice of them in the arrangement of this Regiment. I am extremely sorry that you can not supply ^{me} with arms, I shall not know, how to furnish them.

I shall probably send into *Canada* some Companies of Col. *Van Schaicks* Regiment before I can hear from you; those Officers I will give Commissions to, as I have some blank ones by me.

I have added Lieut. Col. *Yates* and Major *Gansevort* to the inclosed list, as they are at least equally entitled to a chance of preferment with any of the other Field Officers, altho' they are reappointed to Col. *Van Schaick's* Regiment.

A draft of an answer to Gen^l. *Schuyler's* several letters was read and approved and is in the words following, towit :

Sir: We have the honor to acknowledge the receipt of yours of the 21st and 27th ult^o. with a list of such Officers, as have served in the last Campaign. We fear from a want of proper Information and the necessity we are under of immediately compleating the four Regiments ordered to be raised for the defence of this Colony, some Gentlemen, now absent, may be neglected, whose merits ought to be considered — In our confused state we shall endeavour to do Justice to Individuals as far as is consistent with the public service. In this arrangements Mr. *Paine's** merit will be considered.

In the appointment of the Captains to our four Battalions we have thro' mistake omitted Capt. *Wynkoop*, whose services during the last summer Justly merit the attention of the public; we would wish, Sir, it was in our power to provide for him on the Lake, as we are informed, he is well qualified for service in that department, but if it should not be in your power to provide for him, we beg to have the earliest notice, that we may appoint him to the first vacancy.

Nich^s. Bayard Esq. this morning attending was admitted. He informed the Congress, that a Grenadier Comp^y of Col. *Lasher's* Regiment had been the guard of the Records of this Colony, since they had been at his house; — that he has been informed it is to be changed and their place supplied by another Company. That the said Grenadier Company have behaved so prudently, that it would oblige him to have them continued.

The Congress took the same into consideration and thereupon *ordered*, that Mr. *Smith*, Col. *Lott* and Mr. *Roosevelt* be a Committee to speak to Col. *Lasher* and with him determine on what Guard will be proper and necessary for a Guard to the said Records at Mr. *Bayards*.

Col. *McDougall* informed the Congress that it was necessary to have arms for the men of the different Companies now enlisted in this City, that they may have arms if called to service and that they may be enured to the use of arms.

Ordered, that *Richard Norwood*, Commissary of this Colony's Stores, deliver to Col. *McDougall* or his order such arms and accoutrements from time to time in store, as he shall direct for the Troops and take the receipts of such Capt^s., to whom such arms and accoutrements are or shall be delivered.

[Upon receiving information, that the British were preparing to evacuate *Boston* and would probably try to establish themselves in *New York* the following resolves relating to military matters were adopted:]

* He had been recommended to Congress by Gen^l. *Schuyler* as having served in the "artillery way" during part of 1775 and desirous of continuing in it in Canada.

(4th.) That circular letters be wrote to the several Colonels of the Minute Men and Militia in this Colony from the County of *Albany* to the Southward, ordering them to hold their respective Regiments in readiness to march with their arms, accoutrements, blankets and five days provision on the first notice of an Invasion.

(5th.) That Col. *Lasher* and Col. *Heyer* and the Colonels of the different Regiments of Militia in the City and County of *New York* be ordered to examine into the State of their respective Reg^{ts} with respect to the number of men, arms, accoutrements and ammunition and Report thereon forthwith.

* * * * *

Ordered, that *Peter T. Curteneus* deliver to Capt. Lieut. *Jas. Moore* a sufficient quantity of coarse blue cloth to make a Coat for each of his men, — and Ordered that Captain Lieut. *James Moore* or the Paymaster of the said (Colony Artillery) Company for the time being, take care to deduct the Expense of the said Coats furnished to each of the said men out of his pay.

(A Letter from Captain *Wm. Barker* of *Amenia* Precinct, *Dutchess* Co., March 1st 1776, to the President of the Prov. Congress.)

Sir. — I have received orders under your hand to enlist men in the Continental service as a Captain and am very sorry the privates are not allowed as much pay as our near neighbours in *Connecticut*, who are allowed 53s. 4d. for a bounty and 53s. 4d. per month, which discourages our men from enlisting in our own Province; but a bigger discouragement I take to be, that there is no time prescribed for their enlistment. Also, one place the orders say, they (the soldiers) to find their own arms, and in another place, arms and accoutrements for the men &c to be provided at the public expense, and no mention is made of any advance pay, which appears to me that it will be absolutely necessary that they should have one month's pay before they march, in order to furnish themselves. Under these discouragements I find it very dull raising men. If, therefore, Sir, you can by a line by the bearer give me any further directions in these matters you will greatly oblige,

Sir, your most obed^t. humb. serv^t.

WILLIAM BARKER.

DIE MARTIS, 10^a HO. A. M. MARCH th 1776

The Congress took into Consideration the application made by Mr. *Gilbert Livingston*, one of the members, yesterday on behalf of Lieut. *Lee* with respect to some Minute Men, now in Col. *Swartwout's* Reg^t, which he claims to have Enlisted for the Continental service, before they enlisted in Capt. *Clark's* Company of Minute Men.

A Letter rec^d. from Col. *Swartwout* yesterday was read and filed — he therein alledges, that those Minnte Men were enlisted in Capt. *Clark's* Company, before Mr. *Lee* had any warrant and that therefore his Regiment has the preference to their service, but that he is cheerfully willing, that they enter into Continental service, when his Regiment is discharged.

Thereupon *Ordered*, that the recruiting Officers for the Continental service, who are employed in that business by virtue of Warrants from this Congress, be allowed to enlist men from any of the Regiments of Minute Men in this Colony but however under the following Restrictions with respect to the Minute Regiments now in actual service in this City and its environs. — That no man shall be allowed to leave the Minute service, till the time of their Enlistment as Minute Men is expired or they are discharged from the present service, or untill the Commanding Officer of the Continental service at this post shall think it necessary for the public service, that they should join their respective Regiments, into which they shall have enlisted.

* * * *

Mr. *Smith* from the Committee appointed to confer with Col. *Lasher* on the mode best to be pursued for continuing the Guard to the public Records of this Colony,

Reported, that Col. *Lasher* be ordered to provide a guard of forty-eight men out of his Battalion to protect the Record of this Colony, That that guard be relieved from time to time by detachments from his Battalion or Regiment, so as to give the different Companies in the Battalion their proper proportion of duty and that 12 men of such detachment be the proper Guard for 24 hours.

Resolved that this Congress does agree with their said Committee in the foregoing Report.

The Congress took into consideration the State of the Militia in *Queen's* County and determined that it would be requisite to have the friends to the liberties of their Country there and particularly those Companies properly regimented. — Thereupon *Ordered*, that Mr. *Hobart* draw and report a Draft of a letter to Col. *Blackwell* and such other persons in that County as may be tho't necessary.

Col. *David Mulford* of the 2^d Reg^t. in *Suffolk* County pursuant to the Regulations of the Provincial Congress of this Colony, returned to Brigadier General *Woodhull* a Statement of his Regiment, which was read and filed.

Col. *Peter Ten Broeck* from the Committee of War, according to order, reported a draft of Instructions for the Barrack Master, which was read and filed and is in the words following, to-wit:

Instructions for the Barrack Master.

That the Field Officers of each Corps in this Colony be supplied with one Room; the Captains with the Subalterns of each Company together with the Quarter Master and Adjutant to be entitled to a Room between each two.

The Officers' Rooms of the said Corps to be furnished each with 1 p^r. Andirons, 1 p^r. Tongs, 1 Table, two Chairs and one Candlestick.

Mr. *Hobart* according to Order also reported a draught of a Letter to Colo. *Blackwell* and sundry other Gentlemen of *Queens County* on the subject of forming the Friends to Liberty in their County in a Militia &c. was read and approved and is in the words following towit:

In Provincial Congress, March 7th 1776.

Gentlemen: The Congress being of opinion, that it is absolutely necessary, that the Inhabitants of your County, who have signed the Association & are friendly to the Liberties of their Country should be formed into military Companies and regimented and be in a capacity of defending themselves if attacked — and being informed, that they have appointed a County Committee and likewise, that Committees are chosen in several Districts in your County that they carry the Resolves of Congress for regulating the Militia into execution and recommend suitable Men for Field Officers.

EXTRACTS FROM A LETTER FROM GEN^l. SCHUYLER AT ALBANY, FEBR^y 29th 1776, TO GEN^l. LEE, LAID BEFORE THE PROVINCIAL CONGRESS MARCH 8th.

Congress having ordered, that I should repair to *New York* to take the Command there, as soon as my health would permit, I have taken the liberty to represent to them, that if that Obstacle was Immediately removed, I should not be able to leave this untill the Batteaux now building at *Fort George* were finished and everything got into such a Train, as that your army in *Canada*

may not suffer for want of provisions, which it certainly will, if I quit this and you Immediately go into *Canada*, where your presence is much, very much indeed wanted.

* * * * * The Regiments to be raised for the *Canada* service in the *Massachusetts Bay* and *Connecticut* are not yet marched from thence, four Companies of the Pennsilvanians are gone on the fifth, the only one left here will march to-morrow. Three *Jersey* Companies are also marched and about One Thousand from this Colony and the *Massachusetts Bays* which I ordered to be raised Immediately after our repulse at *Quebeck*—As the *Jersey & Pennsylvania* Companies are very incomplete, I have ordered all the men, that were raised by my immediate order to be engaged for the Campaign and to remain in *Canada*. I imagined that necessity would Justify this Step and I have informed Congress thereof and pointed out the reasons, which induced me to it.

Three Companies of Col. *Van Schaick's* Regt. are nearly compleat; one of them is at *Fort George* and the other at *Ticonderoga*, from whence they will move, as soon as I can get a few men out of those others, to be raised in the Colony, to take charge of those posts. All the Troops that have hitherto come up, have been only half armed and I am greatly distressed to furnish them; none of them had Mockinsons and great Number wanted Shoes, Mittens, Caps, Stockings &c

DIE MARTIS, A. M., MARCH 19th 1776.

Captain *Blauvelt* from *Orange Town* attending requested the sense of the Committee: Whether the 35 men ordered to this City out of Col^o. *Lents* Regiment may not come down under the Command of a Captain & Ensign.

The Committee are of opinion, that the thirty-five privates ordered from *Orange Town* may be commanded by Captain *Blauvelt* & his Ensign.

The Chairman and Capt. *Rutgers* informed the Committee that in pursuance of the directions of the provincial Congress of the——day of March Instant they had purchased a Sloop to be made an Armed Vessel for the defence of the Trade of this and the neighboring Colonies, That they had agreed to pay the sum of £430 for the said Sloop. Ordered that the Treasurer pay to Captain *Anthony Rutgers* the sum of four hundred and thirty pounds to pay for the said Vessel & that the Treasnrer take Mr. *Rutgers*' receipt for the same.

Col^o. *Hyer*, Major *Malcolm* & Capt *Wool* of the 2^d Battalion or Regiment of the City of *New York* came into the Committee. They informed that they were authorized by the said Battalion to offer their Service as a Regiment to be taken into constant pay as Minute men.—After some Conversation on that matter the Committee informed those Gentlemen that they would take that matter into Consideration & give them an answer, as soon as conveniently they can determine.

4th ho. P. M. March 19th 1777.

The Committee took into Consideration the proposal of Colonel *Hyer* and the other Officers of the second Battalion of the City of *New York*, made to the Committee this morning and *Thereupon* came to the determination in the words following towit:

N^o 1. The Committee of Safety taking into Consideration the application of Coll^o. *Hyer* respecting the Second Batalion of Independent Companies of the Militia of this City are willing to engage the said Batalion as Minute men on immediate pay to Continue two months upon the following Terms:

Viz^t The batalion to consist of at least 7 Companies, Each Company to Consist of 86 men including Sergeants, Corporals, drum and fife besides Officers, to have 1 Col^l. 1 Lieut. Col^l 1 Major 1 Adjutant 1 Quartermaster

The Pay to be the Same as the Continental Troops with an allowance of eight shillings p^r week for their Rations, & Barrack Furniture.

The officers to receive Pay in proportion to the number of men in their respective Companies

— That is to say that according to the whole Number of men as many Officers shall receive pay as conformable to the rules of Discipline & Service shall be a sufficient Body of Officers for such a Command as the Number of Men shall amount to.

The Committee then took into Consideration the Letter of Lord *Stirling* and returns of Artillery Stores wanting, which were received at noon; the same were again read and are as follows:

Sir.

New York, March 18th 1776.

It is of the utmost Importance to the Safety of this City and province that all the Artillery we are to rely on be completed in every article. It was but lately that I could obtain a complete state of all the Artillery on the Island: It was then so near the adjournment of your Congress that I did not care to introduce to it a matter so long in detail. I now Inclose to you a return No. 1 of the whole Artillery and the Articles wanting to Equip and Compleat them to 100 Rounds, by which you will observe, that all the Cannon below six pounders are in want of every Article and would take up more time than we can spare at present to complete them. I have therefore made out another Return No. 2* of all the Cannon down to six pounders inclusive and these if the work be properly distributed may soon be Equipped with every necessary and I must request that the Committee of Safety will as soon as possible take measures to have all necessarys provided and you may be assured that I will lend every Assistance in my power for forwarding the work.

As I have no copies of these Returns I should be glad to have them sent back to me when you have taken Copies of them. I am

A Scheme for raising Minute men having one fourth of the Militia always in readiness to act on any Emergency proposed by Lieut. Colonel *McClaghry* was read and filed.

DIE JOVIS, 10^a HO A. M. MARCH 21st 1776.

The answer of the 2^d Battalion with some remarks on the proposals of the Committee and some new proposals were read.

The Committee gave such Answers on that Subject as they tho't proper to Major *Stoutenburgh* and informed him in substance, that it was their opinion that the Regim^t. ought not to be paid for any greater number of Officers than men, that it was best for them to fill their Companies — That if all the privates cannot be supplied with Arms immediately that they can notwithstanding be employed on the Fortifications.

Cap^t. *Amos Hutchings* attending informed the Committee that he had forty-six men in this City — That Mr. *Sears* as Deputy Adjutant General had mustered them & that they are on Duty that he expects the residue of his Company hourly.

Mr. *John Moore*¹ delivered to the Chairman a Memorandum, that Col. *Peter Bellinger* had appointed the place of Rendezvous for his Regiment (which is the fourth of *Tryon* County²) by the Church at *Kingsland* at the South Side of the River.

The said Memorandum contained a List of Officers for the whole fourth Regiment of *Tryon* County, but many of the former Commissions not being returned and Blank Commissions having been delivered to Mr. *Moore* for that Regim^t.

Ordered, that Mr. *Moore* keep the Blank Commissions for the fourth Regiment in *Tryon* County, until he goes home and see them delivered to the persons duely elected and a proper return of all the officers made with all possible Dispatch to the Provincial Congress or Committee of Safety of this Colony.

Ordered, that Doctor *Benjamin Curtis* be and is hereby appointed Surgeon to the first Regiment of Continental Troops raised or raising in this Colony, whereof *Alexander McDougall* Esq^r is Colonel, his pay to commence & Continue from the first Instant.

A Certificate of Doctor *Jones* and Doctor *Bard* was read and is in the words following towit :

We whose names are underwritten do hereby certify that we have examined *Isaac Ledyard* respecting his knowledge in Physic and Surgery and find him well qualified for the Office of first mate of a Regiment.

SAMUEL BARD, M. D.

JOHN JONES, M. D.

Ordered, that the said *Isaac Ledyard* be and he is hereby appointed Surgeons Mate to the first Regiment of Continental Troops, now raising in this Colony, whereof *Alex^r McDougall* Esquire is Colonel.

Ordered, that *Peter Van Brugh Livingston* Esq^r. as Treasurer of the Provincial Congress of this Colony advance to Capt. *W^m. Mercier* the Sum of five hundred pounds on Account towards enabling him to fit out the Vessell lately purchased by order of the Provincial Congress and ordered to be fitted out and armed by the Marine Committee.

DIE SOLIS, 3^a HO P. M. MARCH 24th 1776

Captain *Johannis Jacobus Blauvelt* attending,—informed the Committee, that he was come down with a party of Minutemen from *Orangetown*, that his and his Lieutenants Commissions are for the Militia & prayed that a Commission be made out for him as a Minute Captain and another for his Lieutenant as an Ensign of the same Nature his Lieutenant having agreed to accept Ensign's pay.

Ordered, that Commissions issue to *Johannis Jacobus Blauvelt* as Captain and *Jacobus Smith* as Ensign of the *Orange Town* Company of Minute men & they were issued accordingly.

DIE LUNAE, 4^a HO P. M. MARCH 25th 1776.

Resolved, that the Captains & inferior Officers & the Marriners of the armed Vessells now fitted out or to be fitted out by this Colony for the protection of its Trade against the depredations of the Enemy be subject to & governed by the Articles of War made by the Continental Congress for the government of the Navy of the United Colonies and that Captain *Smith* of the Sloop *Schuyler* & Captain *Rogers* be each of them served with a Copy of this Resolution.

10^a HO. DIE MARTIS, A. M. MARCH 26th 1776.

Whereas the allowance made by the Continental Congress for the Frocks of the Troops to be raised in this Colony appears to be insufficient owing to the great scarcity of the proper stuff to make them of, And whereas it is necessary for encouraging the raising the said Troops expeditiously, that they should be clothed in uniform, *Resolved* that it is the Opinion of this Committee, that as well for the reputation as the Security of this Colony, the Troops should be raised without delay & that all encouragement should be given for that purpose.

Therefore *Ordered*, that Col^o. *Curtenius* be & he is hereby directed to provide Frocks for the Troops raising for the defence of this Colony of the most proper cloth he may be able to procure & on the most reasonable Terms in his power.

Ordered, that the Colonels or commanding Officers of the respective Corps of Minutemen now in service at *New York* or the places adjacent do permit the recruiting Officers of the several Regiments now raising in this Colony for Continental Service, to enlist any men they can out of the said Minute Regiments; and that the said Recruiting Officers be permitted to take such men, as they may so enlist into their respective Corps of Continental Troops immediately.

The Committee of Safety having called and examined the Gentlemen enlisting Marriners for the three Vessels on the Lake by order of Continental Congress and the Captains of the armed vessels fitting out by order of this Colony for the defence of Trade between *Sandy Hook* & the Capes of *Delaware* are informed that there are but few marriners in this City and not more if so many as will be sufficient for the necessary purposes above mentioned. The Committee are therefore of opinion, that they cannot with Justice to the Colony or to the public service to the Northward consent that Captain *Alexander* & Lieutenant *Hennessey* enlist or take away any other marriners, than those above mentioned.

DIE SABATI, 10^a HO. A. M. MARCH 30th 1776.

Capt. *Andrew Billings* of *Dutches County* attended and was admitted — he informed that his Company is nearly compleated & (except a few men at work or on Duty in one of the minute Regiments now at *New York*) are now on Duty at the Fortifications in the *Highlands* — That many of his men have been enlisted a Considerable Time & that he stands in great need of Cash to pay his men that they may be enabled to purchase necessaries.

Ordered, that Capt. *Billings* & the privates and non-commissioned Officers of his Company be considered as part of the four Regiments raising in this Colony for Continental service and that

* Officers of the armed boats, belonging to the Colony of *Pennsylvania*, sent by the Committee of Safety at *Philadelphia* to recruit seamen in *New York* for the *Penn^a. naval service*.

Peter Van Brugh Livingston Esq^r. as Treasurer of the provincial Congress of this Colony advance to *Capt. Andrew Billings* the sum of three hundred pounds on Account to be by him applied towards the pay of his Company as abovementioned &c.

*The Congress had appointed Mr. *Crome* a Captain Lieutenant in the Artillery Company, of which *Grennell* was to be Captain; a position which *Grennell* had promised to Mr. *Goddart* supposing that he had the same right to nominate his officers, as had been given to *Capt. Lamb*.

* * * * *

It was suggested to the Committee, that it would greatly encourage the Enlistment of Troops in the Regim^t. raising in this City if those already enlisted could be uniformed with Frocks and that it would be necessary to direct Mr. *Curtenius* not to deliver out any Frocks until the further order of this Committee.

Ordered, that Col^o. *Curtenius* do not deliver out any Frocks for the Troops raising in this Colony until the further Order of this Committee, the Order of the 31st ult^o. to the contrary notwithstanding.

DIE SOLIS 9^a HO A. M. MAY 26th 1776.

A Letter from Captain *Alexander Hamilton* dated this day requesting for his Company the pay of the Continental Artillery the bounty of frocks and some expences of his officers in recruiting, was read & filed. Thereupon *resolved* that the Artillery Company of the said Captain *Hamilton* be allowed the same pay as the Continental Artillery and that the said Captain *Hamilton* receive 10s. for every man he has or shall enlist not exceeding 100 men and that each of the men of said Company be allowed a frock as a bounty.

DIE MERCURI, 9^a HO. A. M. MAY 29th 1776.

Mr. *Sands* on behalf of the Auditors informed the Congress that the Officers of the first or Col^o. *Lasher's* Battalion have delivered in their accounts for the services of that Regiment on Fatigue in pursuance of the Order of the provincial Congress of the 14th day of March last — That the Officers of that Regiment have charged full pay and the number of rations allowed to

Officers in the Continental Army at 10 $\frac{1}{2}$ ^d for each ration for every day they were on Duty tho' it appears by their returns that very frequently they had not the number of privates on Duty ordered and directed by the ninth Resolution and order for that purpose passed on the said 14th day of March last. — That as the said ninth Resolution does not enable the Auditors to discharge those Accounts, the Auditors requested the Directions of this Congress on the subject.

Determined that the Officers shall be allowed the like Number of Rations as the Continental Officers of like rank are allowed. But that the Officers who in any Instance have not had the full Complim^t of men on Duty or Fatigue agreeable to the said ninth Resolution be allowed only a proportion of pay and a proportion of the value of Rations in the proportion the Number of Men they had on fatigue bears to the numbers ordered for a Regiment or a Company by the said Ninth Resolution of the fourteenth day of March last.

DIE JOVIS, 9^a ho. A. M. MAY 30th 1776.

The Congress taking into Consideration the dangers to which this City & Colony will be exposed, should the Ministerial Troops speedily arrive —

Resolved, that two Battalions be taken into the pay & service of this Colony for three Months &

Ordered, that a Committee be appointed to take into consideration & report to this Congress their opinion of the number of which the said Battalions shall consist — what Pay shall be given them, whence they shall be procured & by what regulations governed together with such other matters relative to the same as they may think proper & necessary. And

Ordered, that Mr. James Livingston, Mr. Cuyler, Mr. Jay, Mr. Morris & Mr. Sam^l. Townsend be the Committee.

DIE MERCURI, 4^a. ho. P. M. JUNE 5th. 1776

A Report of a Committee, whereof Mr. Scott was Chairman, of a plan or sett of Resolutions for regulating the Militia, which was on the 13th. day of May made to the late provincial Congress and then read and filed and referred over to this provincial Congress was read and is in the words following to wit :

Your Committee do report,

That they have deliberately considered the condition of the Militia of this Colony as distinguished into Minute men and common Militia, a distinction which they consider was illtimed & unfortunate by not being well adapted to the State of things in this Colony and as they propose to offer some reasons for a Change of the plan of defence by the natural strength of the Colony, they beg leave to begin by assigning those reasons.

The Continental Congress on the 18th of July last among other things *Resolved* that $\frac{1}{4}$ part of the Militia in every Colony be selected for Minute men of such persons as are willing to enter into this necessary Service for defending their Rights against Ministerial Tyranny, formed into Companies and Battalions and their Officers under the degree of field Officers chosen by the

men and Commissioned as well as the field Officers by the respective Assemblies or Conventions, to be ready on the shortest notice to march to any place, where their assistance might be required for the defence of their own or a Neighbouring Colony and that as these Minute men might eventually be called to action before the whole Body could be sufficiently trained, It was therefore recommended that a more particular and diligent attention should be paid to this Instruction in Military Discipline and that such of the Minute Men, as desire it, should be relieved by new Draughts from the whole Body of the Militia once in four months and that where in any Colony a Militia was already formed under regulations approved by the Convention of such Colony or by such Assemblies as are annually elected, the said Congress referred it to the discretion of such Convention or Assembly either to adopt the foregoing regulations, in the whole or in part or to continue their former, as they on Consideration of all circumstances should think best.

Upon this plan the Minute men of this Colony were formed and your Committee report the following Inconveniences attending the Execution of that plan to wit:

1st. All the Officers as well those of the common Militia as of the Minute men under the degree of Field Officers are made eligible by the privates of each Company & therefore as the above mentioned regulation for Minute men gives a choice for Minute Officers by one fourth of the Militia and a succession of privates is provided for by Draft it follows, that in the succession three-fourths of the Militia will be subject to Officers not of their own Election, contrary to the evident design of Congress.

2^{ndly} That as in the regulation above mentioned by the Continental Congress the appointment of Officers, those under the degree of field, is placed in the election of the people — they conceive it to be their undoubted right so to Elect and as the succession by Draft will exclude three fourths of the Militia from such Election, there is no possibility of supplying a succession of privates upon the principle whereon the Minute men are established, from whence it follows:

3^{dly}. That throughout the different Minute Regiments in the Colony, while the different Corps of Officers are compleat the Regiments as to privates are and must of necessity Continue very deficient, unless some new regulation be made. — Therefore we report it as the opinion of your Committee:

1st. That the distinction between Minute men and common Militia which seems to be a consequence of the aforesaid Resolve of the Continental Congress be henceforth abolished, that thereby the Militia of the Colony may be again reduced to one Common mass.

2^{dly}. That therefore all the commissions for Minute Officers be forthwith recalled and that every private be placed under his proper Militia Officer, leaving each Regiment to be Officered according to the Mode prescribed, that is to say — Those under the degree of Field Officers by Election of the privates & those above that Degree by the appointment of the provincial Congress.

3^{dly}. As upon this plan many Officers may be reduced to the station of privates and it would be very degrading to compel those whose appointment as Officers of Minute men must be a clear proof of their distinguished attachment to the public cause to appear in the Ranks, Your Committee report it as their Opinion that such Gentlemen as have been appointed Minute Officers and will be reduced in Consequence of the reform now proposed, be not enrolled among the Militia, nor be compelled to do Military Duties required by the Militia regulations, but that they be requested by this Congress to keep themselves well equipped as the Militia Regulations require, your Committee not doubting, that the laudable spirit, which entitled them to a preference as

Officers, will induce them upon any public emergency to turn out in defence of their Country in the character of Volunteers.

4th As your Committee consider the City and County of *New York*, *Richmond* County and *Kings* County as most liable to a sudden Invasion and as the more immediate object of his Excellency Gen^l. *Washington's* request to provide him with a Militia aid in Case of an Invasion seems to have a more immediate reference to those Counties, Your Committee therefore report it as their Opinion, that the whole of the Militia of the said three Counties, forming together the *New York* Brigade, be required to hold themselves compleatly provided according to the Militia Regulations, to be at the command of his said Excellency or the Commander in Chief of the Continental forces on the spot for the time being, at a minute's warning, upon a proper order to be issued by the Commanding Officer of the Militia for that purpose.

5th That it is the Opinion of your Committee, that one third part of all the rest of the Militia, without abating any part of the duty prescribed to the Militia in General be selected and prepared to turn out at the command of the Militia Commanding Officer, in case of an alarm or Invasion under the following regulations towit :

That to the end that such selected Militia may at all times be ready for immediate service your Committee do advise, that they be selected in manner following, that is to say : That a Major General be appointed to command the Militia of the whole Colony, that the office of Brigadier Gen^l. in every Brigade be filled up according to the former Military Arrangement by provincial Congress, that the Major Gen^l when appointed do forthwith issue his orders to the several Brigadier Gen^{ls}, who in consequence thereof are to issue their Orders respectively to the respective Colonels or other Commanding Officers of the several Battalions or Regiments under their respective Command, requiring them to cause to be selected by ballot one third part of the Militia of each Battalion or Regiment to be ready to march at a minute's warning accoutred as the Militia Regulations require and with five days provisions, which men so selected shall be ready to march at a minute's warning and shall keep themselves in readiness for one whole year, at the Expiration of which another third of each whole Battalion shall be balloted for the like service for one year, excluding those from the Ballot, who shall have already served and that for the third years service the remaining third part of each Battalion shall be ready to perform the service in manner before directed, and that in Order properly to Officer such detachments of the Militia for active and immediate Service, the men balloted for the first and second years Service shall have the Election of the Officers according to their respective Rank, the number and rank of each of which said Officers shall be according to their standing in the Militia ; no Officer to be employed in this Service for more than one year nor more than two Officers at a time out of one Company, and the remaining Officers in the third year to be Officers of course according to their standing in the Militia and we recommend it as a necessary provision, to permit any selected person Excepting Officers for the Service aforesaid, to procure a person to serve in his stead, provided he be approved of by the Commanding Officer of the Regiment, That the same proportion of Officers shall be allotted for the Command of such selected men, as are allotted by the Militia Regulations. That the Field Officers to command such selected men shall be chosen by ballot by the Officers chosen to command the selected Militia and that no more than one field Officer shall be elected out of each Battalion or Regiment for the aforesaid Minute or select Service ; the Militia thus selected to be under Command of their respective Brigadier and the Major General as the rest of the Militia.

By Order of the Committee

JOHN MORIN SCOTT, Chairman.

Mr. *Sands* then moved and was seconded by Mr. *Strong* in the words following to wit :

I move that this Congress proceed immediately into the Consideration of the regulation of the Militia of this Colony. After some time spent in consideration of Regulations for the Militia of the Colony and some progress made therein, Col. *Malcolm* moved and was seconded — That the Order of Minutemen in this Colony be abolished. Debates arose thereon and the Question being put it was carried in the affirmative.

FRIDAY MORNING 9 HO. JUNE 7th. 1776

The Congress conceive it necessary towards carrying these Resolutions of the Continental Congress into execution to appoint a Brigadier General and a Major of Brigade of the Militia of *Westchester County* — And *Lewis Morris* Esq^{re} being tho't the most proper person for a Brigadier General of the Militia of that County and having been recommended by the County Committee for that purpose and *Lewis Morris* Jun^r. Esq^t. having been also formerly recommended by the said Committee for an appointment to be the Major of Brigade of the Militia of that County —

Resolved, that *Lewis Morris* Esq^{re} be appointed Brigadier General of the Militia of the County of *Westchester* and that *Lewis Morris* Jun^r. Esq^t. be appointed Major of Brigade* of the Militia of the said County.

* A Military officer who exercises duties in a brigade, similar to those of the Adj. of a Reg^t. He attends to matters of discipline and to the personal movements of the men. When Reg^{ts}. or Batt^{ies}. are brigaded, a Brigade major is appointed usually from the Captains. He conveys orders, keeps the rollster or roster, inspects guards & pickets and directs exercises & evolutions; but he nevertheless remains on the books of a particular regiment and returns to his reg^t, when the brigade is broken up. *Farrow's Military Encyclopedia*.

DIE VENNERIS, 4th HO. P. M. JUNE 7th, 1776.

The Report of a Committee was then read and agreed to & is in the words and figures following to wit:

Your Committee appointed for that purpose having deliberately considered the Resolves of Continental Congress of the 1st, 3^d & 4th Inst. for raising a Body of Militia for the defence of the Colonies in the present Campaign, do Report, that we have extracted from the said Resolves such parts thereof as immediately relate to this Colony, which are in substance as follows to wit:

It appears, that 13,800 Militia from the different Colonies are destined to reinforce the Army at *New York*; That 750 of the Militia of this Colony are to be levied for the *Canada* Service and that 3000 is the proportion allotted to this Colony of the 13800, who are to reinforce the Army at *New York* — That the Militia are to be engaged to the first of December next, unless sooner discharged by the Continental Congress; their pay to begin from the day of their marching with the Allowance of one penny lawful money per mile for their subsistence in lieu of Rations and one days pay for every twenty miles between home and rendezvous going and returning.

Battalions destined for reinforcing the Army at *New York* and 1 Chaplain for the Battalion destined for *Canada*.

The Officers of the 3750 Men, your Committee submit to be appointed by this Congress.

Your Committee further beg leave to Report, that it will in their Opinion highly promote the public service to raise the quotas of Militia by volunteers, and to that end, as the discrimination hitherto made between the *New York* and *New England* Troops, not employed in the *Canada* Service, is exceedingly odious and greatly discourages levies in the Colony of *New York*— Your Committee are therefore of Opinion, that the pay of each private be fixed at 53s. 4d. & month *New York* Currency, unless the Continental Congress shall think proper to reduce the pay of the *New England* Troops, not employed in the *Canada* service, to an equality with the Troops of this Colony, who are not employed in that service — That the most strenuous efforts be made to induce the Continental Congress to agree to such increase or reduction.

And Whereas by the resolutions aforesaid, it is required that the men so as aforesaid to be raised by this Colony be well provided with arms, accoutrements and camp Kettles, Your Committee do further report it as their Opinion, that it will be proper to compleat the number

of arms from the Militia of the respective Counties, which shall remain after forming the aforesaid Battalions and that the provincial Commissary be ordered to provide, at the expense of this Colony, such camp kettles as shall be necessary for the purpose aforesaid.

Resolved, that this Congress agree with their Committee in their said report and that it be deemed & esteemed and taken in all things as a Resolve and Order of this Congress.

DIE SABBATI 9^a HO A. M. JUNE 8th 1776.

Col. *McDougall* attending was admitted — He informed the Congress, that by the resolutions of Congress the recruiting Officers are to have 10s. $\frac{3}{4}$ man for recruiting without specifying the Currency — That there is a particular Resolution for the purpose — That Officers of the *Jersey* and *Pennsylvania* Battalions have received 1 1-3 Doll. and he requested to know whether his Orders in fav^r his Officers will receive the like payment.

Ordered, that Col. *McDougall* send a return of his Regiment to this Congress and a Copy of the Resolution of Congress referred to.

SUNDAY AFTERNOON, JUNE 9th 1776.

Your Committee appointed for taking into Consideration Regulations & Instructions for raising the Detachments of Militia to reinforce the Army at *New York* & that in *Canada* do report, that they have maturely considered the matter referred to them and think it necessary to report the following regulations for the more orderly & dispatchful Levy of the Militia to reinforce the Continental Army in this City & that in *Canada*, to wit :

1. As it is evident, that the Nature of the Service thereby provided for requires the utmost dispatch this house do recommend it to the several Counties to furnish their respective Quotas with all possible Expedition and it would by no means be proper to leave it to the Discretion of the different County Committees, Your Committee do advise, that this Congress earnestly recommend, that the several Levies to be made in the different parts of this Colony from without the City & County of *New York* for the purpose of reinforcing the Army at *New York*, begin their respective marches to the City of *New York*, unless the Commander in Chief of the Continental Forces should order them to march to some other place, at the latest on the several Days hereafter mentioned, to wit, Those of *Kings County* & *Richmond County* on the fifteenth instant, —

2. That those of the City & County of *New York* be ready for parade & review on the 14th inst.

3. That tho' your Committee are of Opinion, that the several Levies abovementioned if consisting of Volunteers would be most advancive of the public Service, yet they conceive that the said Levies ought at all Events to be made with the utmost dispatch. For which Reason your Committee do advise that each Detachment in the several & respective Counties except *New*

York be mustered two days before the respective days of their March & that of *New York* two days before the day of their Parade & Review and that the Deficiency of Volunteers in each Quota on such days ought respectively to be completed by Drafts to be ascertained by Casting of Lots and that to this End the several Commanding Officers do assemble on such day their respective Battalions.

4th. That the rank & number of the Officers, which are to command the respective Detachments be fixed by this Congress. That it be recommended to the Commanding Officer of each Battalion out of which any Detachment is to be made on or before the day of the Muster & with the assistance of the Sub Committee or Sub Committees to procure Volunteer Officers of such Battalion under the Degree of Field Officers to command such Detachment, if Volunteers can be had on or before the day of Muster & if not to select them on that day by casting a Lot and that such Officers thus selected either by the Volunteers or by casting of Lots be the Officers to command the Detachment & if a Detachment should consist of men belonging to different Battalions the several commanding Officers with the several Sub Committees within whose districts such Detachments shall be, do proportion the Officers as to Rank & Number according to the Number from each Battalion who form such Detachment and if too great a Number of Officers shall offer their Services as Volunteers, that it be determined by casting of Lots for the Honor of the Service.

5th. That in Case of detaching by Draft every non-commissioned Officer & private drafted be permitted to supply an able-bodied man in his Room, so that such Indulgence do not retard the March of the Detachment.

6th. That Care be taken, that at the respective Times of the Commencement of such Marches respectively from the other Counties and at the Time of such parade as aforesaid in *New York* each Detachment be completely provided with Arms, Accoutrements & Ammunition as directed by the Regulations for the Militia and to that End that their deficiencies in these particulars if any such there be, be made up from those of the other Men belonging to their respective Battalions either by purchase to be deducted out of the pay of the several persons detached, who shall be thus provided for March or parade, or by Loan as the respective Owners shall chuse, they to be secured in that Case for return in good Order to such respective Owners, or by an Allowance on Valuation out of the pay of the persons respectively, who shall thus be provided for their March or parade and in Case of Loss or Injury & there be not sufficient pay due and in Arrear to the person thus armed & accoutred to recompense the Owner to whom the Loss or Inquiry shall happen in such Case the Recompense to be made by the Colony. For which purpose just Valuations shall be made by the Sub-Committees through whose district each Brigade shall extend & the Brigadier General of the Brigade if a General Muster shall be had for the purpose or by the Commanding Officer of each Battalion & the proper district Committee or Committees, if such general Muster shall not be had and it is further advised, that it be recommended to the Brigadier General of each Brigade or in his Absence to the next commanding Officer & the several County Committees, into whose respective districts such Brigades shall respectively extend to determine whether such Musters as aforesaid shall be held in Brigades or Battalions — and that the Brigadier General & the County Committees if such Musters shall be made preside over direct & Conduct the making of such Detachments at^d & the Valuation of Arms as at^d and if the said Detachments shall be made in Battalions, then such presidence, Direction & Conduct to be in the Commanding Officer of the Battalion & the District Committee or Committees and that all questions in the Execution of the Matters so submitted to their presidence, direction & Conducted respectively be determined by Majority of Voices and being thus Done & transacted reports under their hands be made by them

thereof as well as of the respective Detachments, to be directed to the Brigadier General to be appointed by this Congress for the Command of the Detachments of Militia of the Colony of *New York* destined to reinforce the Continental Army at *New York* & to be transmitted to him by the Hands of the Commanding Officer of each Detachment respectively.

7th. That to this End this Congress immediately do in pursuance of the Resolve of the Continental Congress nominate & appoint such Brigadier as af^d.

8th. That it be committed to the Care of the Brigadier General & General Committee & other Commanding Officers & district Committees as af^d respectively to give proper Orders for the regular & dispatchful March of the several Detachments either by Land or by Water, as will best expedite the arrival of the several Detachments at *New York*.

9th. That the necessary Dispatches for the purpose of expediting the raising the af^d detachments destined to rejoin the army at *New York* be made by the said Brigadier General so to be appointed by this Congress to the respective Counties in this Colony either by express or otherwise as he shall think proper at the public Expence of this Colony & that he transmit therewith Copies of all the Resolutions & proceedings of this Congress relative to the said detachments.

10th. That in forming the Detachments above mentioned the Minute Battalions as well Officers as privates ought to be considered as part of the Common Militia.

11th. That the Detachments to join the Army in *Canada* be formed in one Battalion & that the making the said Detachments in the Manner above directed be committed to the Care of the different County Committees and the Brigadier General of *Albany* and *Troy* and the march of the said Battalion either in Body or detachments shall be on such day or days respectively as the said Brigadier of *Albany* & *Troy* & the said General Committees of the Counties wherein such Detachm^{ts} are to be levied shall by majority of Voices be determined provided always that the last day of such March do not exceed the first day of July next.

Twelfthly, that all returns as af^d respecting the said Battalion be respectively made in Manner af^d to this Congress.

Lastly, for the encouragement of all privates who shall be employed in the af^d Service your Committee do advise, that it be resolved by this Congress, that in Case the Continental Congress do not increase their pay from forty shillings to fifty three shillings and four pence current lawful money of this Colony, then this Congress will make full provision for such Increase.

Resolved and ordered, that the af^d Report stand confirmed and that it be deemed esteemed and taken in all Things as a Resolve & Order of this Congress.

The Congress having taken into Consideration the appointm^t. of a Brigadier General to take the Command of the three thousand of the Militia of the Colony of *New York* destined by the Resolve of the Continental Congress of the 3^d inst. to reinforce the Army at *New York*,

Resolved and Ordered, that *John Morin Scott* be and he is hereby nominated & appointed Brigadier General of the said three thousand of the Militia of this Colony.*

* The arrangement of the Corps of Officers for this army was as follows: In *Queens County* 2 Capts. 3 1st & 2^d Lieuts, in *Kings Co.* 1 Capt. 1 2^d Lieut., in *Richmond Co.* 1 Capt. 1 3^d Lieut, in *Westchester Co.* 1 Col. 4 Capts. 4 1st & 4 2^d Lieuts., in *Suffolk Co.* 1 Lt. Col. 3 Capts. 2 1st & 3 2^d Lieuts. in *Orange Co.* 1 Major, 3 Capts. 2 1st & 3 2^d Lieuts., in *Dutchess Co.* 1 Col. 4 Capt. 5 1st & 4 2^d Lieuts. *Ulster Co.* 1 Lt. Col., 4 Capts. 4 1st & 4 2^d Lieut. in *Albany Co.* 1 Major, 2 Capts. 3 1st & 2 2^d Lieuts. The troops from *Queens, Kings & Richmond Co.* to be joined to & made part of the two *New York Co.* Battalions, *Westchester, Suffolk & Orange* to form one Battalion, one first Lieut., one Serg^t., one Corp^s. & 22 men from *Albany Co.* to join the *Orange Co.* detachm^t., the same from *Dutchess Co.* for the *Suffolk Co.* detachm^t. and one Serg^t. with 9 privates to join the *New York Battalion*. The 175 men from *Albany* and the *Dutchess & Ulster Co.* detachm^{ts}. less the above deduction were to form a separate Battalion.

Resolved, that the non-commissioned officers and privates of the Battalions or detachment of the Militia raised in the Counties of *Albany, Tryon, Charlotte, Cumberland and Gloucester* and destined to reinforce the Army in *Canada* be allowed a Bounty of 4 Dollars each and that in Case the Continental Congress should not make allowance for the same, such Bounty shall be at the charge of this Colony.

MONDAY AFTERNOON, JUNE 17th. 1776.

Col. *Remsen* stated to Congress, that it would be proper to lessen the Quota of Militia to be raised in *New York* — Because

1st. Their Quota is too large and will take two men out of every five, which is a much larger proportion than in any other County.

2^d. Because many of men are to be placed under Officers, not of their own Election, and

3^d. By a draft the poor man who has no real Estate, and very little personal property, is placed on a footing with a man of Opulence.

Col. *Remsen* further mentioned that £3 ^{pr} man Bounty is given in *New Jersey* and drafting thereby dispensed with and that they compute all men, who have there resided but 15 days.

Col. *Remsen* thereupon moved, that the Quota of Militia to be raised by *New York* be lessened and after some time spent in the Consideration thereof, the said was withdrawn and the Congress determined & *Resolved*, that Capt. *Hamilton's* Company of Artillery be considered so many and a part of the Quota of Militia to be raised or furnished by the City and County of *New York*.

THURSDAY MORNING, JUNE 20th 1776

The Committee appointed yesterday to take into consideration the requisition of the Committee of *Dutchess* County, relative to the raising a number of men to keep peace and order and to suppress the disaffected in the said County, Reported as follows to wit :

Your Committee do report, That *Whereas* there are sundry disaffected and dangerous persons in the Counties of *Dutchess* and *Westchester*, who do now greatly disturb the peace of the said Counties and will most probably take up arms, whenever the Enemy shall make a Descent upon this Colony, to the great annoyance of the said Counties in particular and of other the good people of this Colony — and

Whereas by reason of the several Drafts, which have been made in the said Counties, according to the late recommendation of the Continental Congress, the Militia thereof are rendered incapable of keeping Peace & Order in the said Counties without great inconvenience to themselves and much Injury to and neglect of their private property, and in as much as the Interest of this Colony may be materially affected by the dissensions which may prevail in the said Counties while the Continental Troops are engaged in the defense of those Counties more immediately exposed to the inroads of the Enemy — Your Committee are therefore of Opinion, that it will be prudent to take into the service of this Congress 100 men in *Dutchess* County Officers included and 50 men Officers included in *Westchester* County, the said men to be raised in the said Counties

respectively and confined to the Service of those Counties & to continue in pay until the first day of November next, unless sooner discharged by this or a future Congress.

[After considerable debate] *Resolved* that this Congress does agree with their Committee in the said Report.

Mr. *Morris* then moved that a Committee be appointed to draw up and report an arrangement of the rank of the Officers, of their pay and subsistence, as well as the pay & subsistence of the privates and the most advantageous manner to raise the said Men. [Carried after debate by 23 to 2].

FRIDAY MORNING, JUNE 21st 1776.

Brigadier Gen^l *Scott* represented to the House, that the service rendered it necessary, that a Major of Brigade be immediately appointed to the detachment of Militia under his command and requested the Congress to appoint a person to that office.

Thereupon *Resolved*, that Gen^l *Scott* be authorized & requested to nominate and appoint such person to the said Office as he shall think proper. — Whereupon Gen^l *Scott* nominated & appointed *Mr. Nich^s. Fish* to be his Brigade Major and requested that he be commissioned for that purpose, which was unanimously agreed to.

SATURDAY MORNING, JUNE 22^d 1776.

The Resolutions for raising two Companies of 50 Men each Officers included in *Dutchess* County & one Company of 50 Men Officers included in *Westchester* County were read and being again read, were unanimously approved of and are as follows, towit :

A Letter from the Hon^{ble} *John Hancock Esq^r*. of the 26th Inst. was read and filed and is in the words following to wit:

Philadelphia June 26th 1776.

Gentlemen,

You will perceive from the enclosed Resolves, which I do myself the honour of transmitting in obedience to the commands of Congress, that they have appointed not only the field Officers in the Regiment to be raised in your Colony, but likewise a number of Subalterns — The reason, that induced Congress to take that Step, as it is a deviation from Rule, should be particularly mentioned. I am therefore directed to inform you, that in Consequence of their being furnished with a list of the Officers, who had served in *Canada*, they have been enabled to appoint and in fact have only appointed, such as were originally recommended and appointed by the provincial Congress of your Colony, and have served faithfully both the last summer Campaign and thro' the winter. It is apprehended therefore the Congress have only *presented* you in their appointments and that the same Gentlemen would have met with your approbation for their services to their Country; added to this, the last Intelligence from *Canada*, showing our affairs to be in the most imminent danger, rendered the utmost dispatch necessary, that not a moment's time might be lost.

The other Officers of the Battalion I am to request you will be pleased to appoint and exert every nerve to equip the Battalion as soon as possible. — As an additional encouragement the Congress have Resolved that a Bounty of Ten Dollars be given every Soldier who shall enlist for three years.

I have the Hon^r. to be Gentlemen &cThe Hon^{ble} Convention

SATURDAY MORNING, AUGUST 3^d 1776.

A letter from *Silvester Salisbury* Esq. Captain of the Troop of horse in *Ulster* County dated the first instant was read and filed. He therein mentions, that Col^o. *Joh^s. Snyder* in consequence of the late Resolutions of this Convention for drafting one fourth part of the Militia of *Ulster* County had directed that the said Troop of horse (whereof he is Captain) should be drafted. That the Troopers are ready to serve as horsemen, but refuse to serve [on foot]. He requests directions in the premises. The Convention took the same into Consideration and thereupon

Resolved, that the Troopers in the several Troops of Horse in the Militia of this State embodied by & under the authority of the said State, who have provided themselves with proper Horses and accoutrements as Troopers be not compelled to serve as foot soldiers.

DIE MERCURI, 8^a HO. A. M. AUGUST 7th. 1776

The Committee to whom was referred the Consideration of the State of the Troopers in the Militia reported the following Resolutions, which were unanimously resolved on and agreed to :

Whereas, the Service of Troopers does materially differ from that of others in the Militia, whereby it may frequently happen, that Horse may not be necessary for the Defence of the State at the same Time with Foot and on the Contrary Foot may not be necessary at the same Time with Horse or when both are necessary yet not in equal Proportions

Therefore Resolved unanimously, that the Establishment of the Troopers shall be considered as totally different from that of the other Militia in this State, so that any general Orders for drafting the Militia shall apply only to the Foot Soldiers and any general Orders for the Troops of Horse shall apply only to them.

Whereas the Defence of this State may require the immediate Service of the several Troops of Horse in the Counties of *Orange, Ulster, Dutchess & Westchester*, *Therefore Resolved*, unanimously, that Gen^l. *Clinton* be and he is hereby empowered to order out the whole or any Part or Detachment of the said Troops or either of them for such Time or Times, as he may think necessary until the last day of December next, unless otherwise ordered by this Convention or a future executive Power of this State & that provision shall be made for their Pay & Subsistence.

DIE JOVIS 4^a HO A. M. AUG^t 8th 1776.

Resolved, that General *Clinton* be requested to order the Troops of Horse belonging to the Counties of *Ulster, Orange and Westchester* immediately to march to such Posts as he may think proper, that they should occupy in order to watch the motions of the Enemy's Ships of War now in *Hudson River*.

Resolved, that Captain *Abraham Lediou* be and is hereby authorized to raise one Company of Volunteers to serve in the Regiment of Militia of *West Chester* County called into Service and commanded by Colo. *Thomas* and that so many of the said Company as do now belong to the Militia of *West Chester* County be considered as part of the number ordered to be raised by drafts from the respective Regiments of the said Militia to which they do belong,

And *ordered* that Lieut. Colo. *Hamman* and the Major of the said Regiment do determine on the Subalterns, who shall be called into Service in that Company, having regard to the Rank of the Officers of the Regiment to which they belong agreeable to the Resolutions of this Convention for calling out part of that Regiment into actual Service and *ordered* farther that the said Capt. *Lediou* apply to Colo. *Thomas* for a proportion of Bounty money for his Men and Shew him this Copy of our Resolution — and that Capt. *Le Dieu* join Col. *Thomas's* Regiment with his said Company as soon as possible.

FRIDAY MORNING, AUG^t 9th. 1776.

Resolved unanimously, that the Company of Artillery formerly raised by Captain *Hamilton* under the authority of this State be according to a resolution of the late Convention of the day of June last considered as a part of the number ordered to be raised by the Continental Congress from the Militia of this State and therefore that the said Company be and hereby is incorporated into Gen^l. *Scott's* Brigade.

A. M. SATURDAY 10 AUG^t. 1776.

Whereas a number of the Inhabitants of this State by removing from one County to another have by that means avoided Military duty in either to the great injury of this State,

Therefore be it *Resolved* and it is hereby *Resolved* that every person between the age of 16 & 50 abiding & continuing in any County for the space of 14 days be enrolled and appear in the Militia of the County in which he so abided under the penalty of 40s for every day's difference on which he or they shall not be so enrolled once after notice is given him or them by the Officer of the Beat in which they shall reside, *Provided* always that this Resolution shall not extend to such persons as are in the Service of this State or of the Continental Congress.

Resolved, that one half of the Militia of *Kings* and *Queens* Counties be immediately ordered to march and put themselves under the Command of the Officer commanding the Continental Troops on *Nassau Island* to be continued in service until the 1st day of September next, unless sooner discharged by order of this Convention.

Resolved, that the above Levies be formed into Companies to consist of One Captain, Two Lieutenants, Three Sergeants, Three Corporals, One Drummer, one Fifer and 50 privates and that the Captains and Subalterns be appointed by the Field Officers of each Regiment of the Militia from which the quotas are to be raised, out of the Militia Officers, having in such appointments regard to their Rank and the dates of their Commissions, if a sufficient number of such are willing to serve, if not, that they be at liberty to appoint such others as they may think properly qualified, and that the non-commissioned Officers be appointed by the Captains of each Company, under whom they are to serve.

Resolved, that those Troops (to) be raised in the County of *Albany* shall be under the Command of One Col^l., One Lieut. Col^l. and One Major and have One Adjutant, One Quarter Master and One Surgeon. The field Officers of the Levies to be raised in the County of *Albany* to be appointed by the Brigadier General and the County Committee of the said County. — The Troops or Levies to be raised in *Kings* and *Queens* Counties to be formed into one Regiment to be under the command of One Colonel, One Lieut. Colonel and One Major and have One Adjutant and One Quarter Master. The field Officers of those to be raised in the Counties of *King*

and *Queens* to be appointed by this Convention and the Adjutant and Quarter Master of each Reg^t to be appointed by the Colonel of such Regiment.

Resolved, that each man be furnished with a good musket or firelock, bayonet or Tomahawk, a Blanket and Knapsack, and every six men with a Pot or Camp Kettle, and to the intent that the Levies so raised may not be unfurnished with arms, the Committees in the different Townships and Districts in the said Counties and the Colonels of the Regiments are hereby impowered to furnish all such as have no arms by taking them from those who are not drafted and such other persons in the districts as have arms, the same being valued by the Committee of each District, the amount of such valuation hereafter to be paid to the proprietors of said arms by this Convention or the Arms to be restored in the same Order to their former proprietors, and that One penny per mile be allowed during their March for subsistence money and one days pay for every 20 Miles between home and rendezvous going and coming.

Resolved unanimously, that whenever the whole Militia of any County in this State shall be ordered to march, that they bring with them all the disarmed and disaffected male Inhabitants from 16 to 55 years of age, who shall serve as fatigue men to the Respective Regiments. [Colonels or other commanding Officers of Regiments, also Captains or their substitutes, who refuse or neglect to obey orders for marching, to be suspended by the Generals of the respective Brigades and tried by Court Martial with a view of cashiering and rendering such Officer incapable of holding again a military commission.

The estate of any man, drafted as above and refusing to march, to be assessed for enough money to hire a substitute, but not more than £30, the man remaining liable to other drafts.]

AUGUST 12th. 1776

The Hon^{ble} The Convention of the State of New York.
Gentlemen.

It is necessary I should inform you, that there is at present a vacancy in my Company, arising from the promotion of Lieut. *Johnson* to a Captaincy in one of the Row Gallies (which command however he has since resigned for a very particular reason). As Artillery Officers are scarce in proportion to the call for them and as myself and the remaining Officers sustain an extraordinary weight of duty on account of the present vacancy, I shall esteem it a favour, if you will be pleased

as soon as possible to make up my deficiency by a new appointment. — It would be productive of much inconveuiency, should not the inferior Officers succeed in course and from this consideration I doubt not you will think it proper to advance Mr. *Gilleland* and Mr. *Bean* and fill up the third Lieutenancy with some other person. — I would beg the liberty *warmly* to recommend to your attention *Thomas Thompson*, now first Sergeant in my Company, a man highly deserving of notice and preferment. He has discharged his duties in his present Station with uncommon fidelity, assiduity and expertness. He is a very good disciplinarian, possesses the advantage of having seen a good deal of service in *Germany*, has a tolerable share of common sense & is well calculated not to disgrace the rank of an Officer & Gentleman; In a word I verily believe he will make an excellent Lieut. and his advancement will be a great encouragement and benefit to my Company in particular and will be an animating example to all men of merit to whose knowledge it comes. Myself and my Officers will be much obliged to the Hon^{ble} Convention to favour us with our commissions with all convenient speed, as they may be highly requisite under some circumstances, that may possibly hereafter arise.

I am &c &c

A. HAMILTON, Cap^t. of *New York Battery*.

Ordered, that Col^o. *Livingston* call on Cap^t. *Hamilton* & inquire into this Matter and report to this House.

A Letter from Col^o. *Remsen* to Mr. *John McKesson*, informing that Col. *Covenhoven* of *Kings County Militia* requests Commissions for the following Officers, to Command the Drafts of the Militia in the said County, pursuant to the Resolves of this Convention of the Inst. to wit: *Thomas Lane* Cap^t., *Nich^s Van Brunt* 1st Lieut., *Mich^s. Van Cleef* 2^d Lieut. for one Company, *Harmanus Casper* Lieut. to command 20 men, but to be under the command of Cap^t. *Lane*, — these not being Officers of the Militia, was read and committed to Col. *Blackwell*, Mr. *Harper* & Mr. *Wisner*.

THURSDAY, A. M. AUGst 15th. 1776.

Col. *Livingston*, who was directed to inquire into the facts stated by Cap^t. *Alex. Hamilton's* letter read yesterday — Reported that the facts stated by Cap^t. *Hamilton* are correct, Thereupon

Resolved, That whereas *Thomas Thompson* late a Sergeant in Cap^t. *Hamilton's* Company of Artillery has been represented to this Convention as a person, who has discharged his duty in his Office as aforesaid with uncommon Fidelity, Assiduity and Expertness, Therefore *Resolved* that the said *Thomas Thompson* be promoted to the rank of a Lieut^t in the said Company, and that this Convention will exert themselves in promoting from time to time such privates and non-Commissioned Officers in the Service of this State, as shall distinguish themselves by their Sobriety, Valour and Subordination to their Officers.

Ordered, that this Resolution be published in the newspapers of this State.

DIE VENERIS, 9^a A. M. AUGUST 16th 1776

Two Letters from the Secret Committee at *Poughkeepsie* by Capt. *Henry Benson* was read & is in the words following to wit:

Poughkeepsie, August 13th 1776.

Sir :

Among other measures devised for the defense of *Hudsons* River we have purchased and are fitting out Two Sloops, each of them more than a match for a Tender. We have given Capt. *Benson* the command of one, Capt. *Casewell* of the other. — It will be impracticable to get a sufficient number of men for them here, or in our opinion elsewhere, unless permission be given to the Capts. to enlist them from among the new Levies.

We have written to Gen^l. *Washington* on the subject and hope this expedient will meet with the approbation of the Convention. The State of *Connecticut* has sent us 20 Canon ten Twelves and ten six pounders with 50 rounds of shot to each Cannon.

We find it necessary to direct Capt. *Benson* to endeavour to purchase at *New York* a number of Articles for the armed Vessels now fitting out here, which we cannot procure at this place and beg that all possible assistance may be given him.

That Cap^t. *Joh^s. Van Duersen* says his whole [Company] Except his Lieutenant and himself are Tories.

Col^o. *Humphreys* withdrew.

MONDAY MORNING SEPT. 30th. 1776

A Letter from the hon^{ble} *John Hancock* Pres^t. of the Continental Congress (including sundry Resolutions) was received and read and is as follows :

(Extract) You will perceive by the enclosed Resolutions . . . , that they (Congress) have come to the Determination to augment our Army and to engage the Troops to serve during the Continuance of the War. . . . The many ill consequences arising from a short and limited Inlistment of Troops, are too obvious to be mentioned. In general give me Leave to observe, that to make Men well acquainted with the Duties of a Soldier, requires Time, and to bring them under proper Subordination and Discipline, not only requires Time, but has always been a work of much Difficulty. We have had frequent Experience that Men of a few Days Standing will not look forward, but as the Time of their Discharge approaches, grow careless of their Arms, Ammunition, etc and impatient of all Restraint. The Consequence of which the Latter part of the Time for which the Soldier was engaged is spent in undoing what the greatest Pains had been taken to Inculcate at first.

The heavy and enormous Expence consequent upon calling forth the Militia, the delay attending their Motions and the difficulty of keeping them in Camp render it extremely Improper to

'Pres^t. *Hancock* attributes the fall of Gen^l. *Montgomery* before *Quebeck* to the impatience of his troops, who wanting to go home at the end of their time, compelled him to make the attack.

place our whole dependence on them. Experience hath uniformly convinced us of this, some of the Militia having actually deserted the Camp at the very moment their Services were the most wanted.

As the Troops now in Service, belonging to the several States will be considered as a part of their Quota in the American Army, you will please to take such Steps as you Judge necessary to ascertain what Number of Troops, as well as what Officers will engage to serve during the War. I send by this Express blank Commissions to be filled with such as you shall be pleased to appoint.

The Resolutions referred to . . . are as follows :

In Congress, September 16th. 1776.

Resolved, That eighty-eight Battalions be enlisted as soon as possible to serve during the present War and that each State furnish their respective Quotas in the following Proportion, viz :

<i>New Hampshire</i>	3 Battalions	<i>New Jersey</i>	4 Battalions	<i>Virginia</i>	15 Battalions
<i>Massachusetts Bay</i>	15 do	<i>Pennsylvania</i>	12 do	<i>North Carolina</i>	9 do
<i>Rhode Island</i>	2 do	<i>Delaware</i>	1 do	<i>South Carolina</i>	6 do
<i>Connecticut</i>	8 do	<i>Maryland</i>	8 do	<i>Georgia</i>	1 do'
<i>New York</i>	4 do				

That twenty Dollars be given as a Bounty to each non-commissioned Officer and private Soldier, who shall enlist to serve during the present war, unless sooner discharged by Congress.

That Congress make Provision for granting Lands in the following Proportions to the Officers and Soldiers who shall so engage in the Service and continue therein to the Close of the War or until discharged by Congress and to the Representatives of such Officers and Soldiers as shall be slain by the Enemy; such Lands to be provided by the *United States*, and whatever Expence shall be necessary to procure such Land, the said Expence shall be paid and borne by the States in the same Proportion as the other Expences of the War, viz :

To a Colonel	500 acres,	a Lieutenant	200 acres,
a Lieut. Colonel	450 acres,	an Ensign	150 do
a Major	400 do	Each non-com ^d . Officer and Soldier	100 acres
a Captain	300 do		

That the Appointment of all Officers and filling up Vacancies (except general Officers) be left to the Governments of the several States, and that every State provide Arms, Cloathing, and every Necessary for its Quota of Troops according to the foregoing Estimate, the Expence of the Cloathing to be deducted from the pay of the Soldiers as usual.

That all Officers be commissioned by Congress.

That it be recommended to the several States that they take the most speedy and effectual Measures for enlisting their several Quotas. That the Money to be given for Bounties be paid by the Paymaster in the Department where the Soldier shall enlist.

That each Soldier receive Pay and Subsistence from the Time of their Enlistment.

September 19, 1776

That the Adjutants of Regiments in the Continental Army be allowed the Pay and Rations of Captains and have the Rank of First Lieutenants.

¹ [The population of the Colonies was then about the following : *New Hampshire* 140,000, *Massachusetts* incl. *Maine* 470,000, *Rhode Island* 65,000, *Connecticut* 230,000, *New York* 335,000, *New Jersey* 180,000, *Pennsylvania* 490,000, *Maryland* 315,000, *Virginia* 745,000, the *Carolinas* 630,000, *Georgia* 80,000.]

Resolved, that every such muster Roll be so attested before the President or Vice President of the Convention of this State or the Chairman of the Committee of the County in which such Company was raised, who are hereby respectively empowered to administer such Oath.

DIE JUVIS, 4th HO. P. M. NOV^r 21st 1776.

The Committee appointed for carrying into execution the Resolves of Congress relative to the new arrangement of officers &c beg leave to report:

That in pursuance of the Orders of the Convention & agreeable to the directions of the General Congress your Committee have compleated an arrangement of Officers for the four Battallions ordered to be raised in this State, which arrangement is annexed to Report.

They further beg leave to report, that in forming the above mentioned Report (say arrangement) so far as the officers of Col^o *Dubois*' Regiment were concerned in it, your Committee considered them as entitled to no other rank, than what they held prior to their appointment in that Regiment, which was done without the recommendation or intervention of the Convention of this State, contrary to the uniform practice in all similar cases and in prejudice of other Officers of higher rank and equal merit. That your Committee were constrained by those principals to omit Col^o *DuBois*'s name in the present arrangement.—That Col^o *DuBois* hath been well recommended to this Committee as an exceeding good Officer capable of commanding a Regiment with Credit to himself & advantageous to his country.

That from the Quota of this State being assess'd so low as Four Battallions, many good officers will be unprovided for. That sundry applications have been made to your Committee for Commissions by Young Gentlemen of Fortune and Family, whose services your Committee are under the disagreeable necessity of declining to accept.

That your Committee are clearly of Opinion that another Battallion might be raised in this State and they therefore earnestly recommend it to the Convention to use their Influence with the General Congress to obtain their permission and order for that purpose, and Col^o *DuBois* to command the said Battallion so to be raised and to have the Rank of fourth Colonel of the *New York* forces.

That the Officers, whose names are contained in the annexed arrangement, have been well recommended to this Committee, as proper for the officers assign'd them and that the Committee have no doubt but that the Troops under their command will do honor to this State.

And your Committee further beg leave to Report, that the importance of Military discipline is so obvious and the honor and safety of this State so deeply concerned in the behaviour & Credit of their Troops, that it is absolutely necessary, that the most effectual means should be adopted for perfecting them in military Evolutions and discipline; That a good part of this State being already possessed by powerful armies of the enemy, whose disposition and motives will probably render it necessary to call those Troops into immediate service and to divide the Battallions into detachments; it is to be apprehended that unless some extraordinary provision shall be made many of the soldiers must be deprived of the Opportunity of being taught their Military Exercises by experienced and capable Disciplinarians. From those considerations your Committee beg leave earnestly to recommend it to the Convention, to request of the General Congress to commission on their recommendation an Aid Major to each of the Battallions of this State—The aid Majors to be appointed to be paid by this State and to hold such Rank as they would have been respectively entitled to had they been provided for in any of the Companies of the Battallions of or raised in this State.

ROB^t YATES, Chairman.

Ordered, that a letter be written to the Honorable the Continental Congress requesting their approbation of the Resolutions for raising a fifth Battallion in this State to be commanded by Col^o. *DuBois*, and another Letter to Gen^l *Washington* requesting his countenance to that measure.

Livingston* the like sum of three thousand pounds to enable them the said Colonels to disburse the Bounty money to their recruiting officers, each respective Colonel to give his receipt to be accountable for the expenditure of the sum he shall receive by virtue of this Order.

Resolved, that the State of New York be empowered to raise another Battallion on the Continental establishment, That the Convention or Council of Safety of *New York* be empowered to appoint an Aid-Major to each of the Battallions raised by that State, the pay and expence of which to be borne by that State.

DIE VENERIS 10 HO. A. M., JANUARY 1ST., 1777,
at *Fishkill*

* * * * *

Ordered, that the Secretaries deliver the Colours of the first Regiment of New York troops in the Continental service to General *Ten Broeck* to be by him delivered to Colonel *Van Schaick*.
A draft of a letter to General *Washington* was read and approved and is in the words following to wit:

(Extract:)

"On this occasion we beg leave to lay before your Excellency the true situation of this State. It formerly consisted of fourteen Counties of which five and a part of the sixth are in possession of the enemy and a considerable part of the Inhabitants of the Counties of *Gloucester*, *Cumberland* and *Charlotte* appear determined to shake off their dependence upon us so that above one half is lost; of the remainder a considerable portion is disaffected and ready upon a favorable opportunity to join the enemy. * * * * * Your Excellency well remembers that we are to raise three thousand seven hundred and fifty men for the Continental service. The amount of the fighting men in that part of the State belonging to us is not more than fifteen thousand, whereof after deducting our Continental proportion there will not remain above Eleven thousand, of which one half at least lying to the northward, the remainder is not at furthest above five thousand five hundred men, many of which are disaffected and others poor and in such a situation, that if called away as militia their families must perish for want of bread, fuel, etc. * * * *

* * * * *

Resolved, that Brigadier General *George Clinton* be ordered and empowered immediately to direct the raising of One Thousand men by drafts or in such other way as may to him appear most equitable and expeditious out of the Counties of *Dutches*, *Ulster*, *Orange* and *Westchester* to continue in service till the last day of March next.

Resolved, that the Committees of the respective Counties above mentioned to gether with the general and field officers of the militia in their respective counties do assist in raising the said Thousand men.

Resolved, that they be raised out of each County in the following proportions, three tenths of *Dutchess* two tenths by *Westchester*, two tenths by *Orange* and three tenths by *Ulster*.

Resolved, that the Troops so to be raised be divided into two Regiments and the officers of the said Regiments be nominated to this Convention by General *George Clinton* out of the officers of those four Counties who have heretofore been at service.

Resolved that such men belonging to General *George Clinton's* brigade as have re-enlisted until the last day of February next be considered as a part of the said two Regiments and deducted from the proportion to be raised in the several Counties to which they respectively belong and that after the said first (? sic) day of February, they be discharged and if necessary others raised in their stead from the said counties respectively.

Resolved that the above troops be allowed Continental pay and rations.

Resolved that whenever any soldier belonging to the above mentioned regiments shall reinlist in either of the Continental Battalions to be raised in this State, that he shall be suffered to join the battalion into which he is so inlisted.

DIE JOVIS 10HO A. M. JANUARY 2^d. 1777.

* * * * *

Ordered that Mr. *Mathias B. Miller* be and is hereby appointed surgeon to Colonel *David Sutherland's* Regiment of Militia which is in actual service.

* * * * *

Whereas the State of *New York* had lately made six new brass field pieces, six pounders, for the defence of the State, which have been removed out of and at a distance from the State with the Continental army, and the Committee of Safety are informed of General *Heath* is about to remove the field pieces now at *Peekskill* out of this State, RESOLVED that major general *Heath* be requested to direct that an equal number of brass field peices, sixpounders, be left at *Peekskill* for the defence of this State if consistent with the public service, until those belonging to the State are returned or they may appear less necessary for its defence, than at present.

DIE VENERIS, 10HO A. M. JANUARY 3^d 1777.

* * * * *

A letter from *Henry Wisner esq^r* was read and is in the words following towit.

Orange Town, Dec 24, 1776

Dear Sir

Since my letter of yesterday morning I have been visiting the different Battalions of Militia and finding them so exceeding uneasy, that I am afraid that notwithstanding everything that can be said and done to the people or at least many of them will go home, the situation of their families is so very distressing, that no argument can prevail with them; many left their families without wood, without meal and without fodder at home for their cattle and many of those near the *drowned land*, depend intirely on those meadows for the support of their stock. Many of their families without shoes at home and some of them little better here, for the above and many other reasons.

* * * * *

Whereas the greater part of the privates in Col. *Grahams* regiment of militia living in *Rhinebeck* precinct in the County of *Dutchess* within this State and being disaffected to the same, did on the 30th day of December last not only refuse to obey the resolutions of the Convention of this State of the twenty first of December aforesaid, by which they were ordered to march to the defence of the passes in the Highlands, but did also most contumaciously prevent those, who were affected from obeying the said Resolutions.

And whereas it is essentially necessary to the well being of Civil Society, that the laws of such society be in all things duly executed and that disobedience to the commands and denial of the authority of the Legislature be punished as well to awe the guilty as to deter others from engaging in such pernicious designs.

* * * * *

Resolved unanimously, that the said Militia be forthwith compelled to march according to the form and effect of the said resolutions of the 21st of December that is to say, that one third of the said Militia do march to *New Windsor*, one third part thereof to *Peekskill* and one third part thereof to *North Castle*.

* * * * *

Resolved unanimously, that *Egbert Benson, David Johnson, Walter Livingston, Ephraim Paine, Ezra Thompson, Jacobus Swarthout* and *Israel Thompson* esquires or any four of them be and they are hereby appointed Commissioners to execute these resolutions

* * * * *

Resolved unanimously, that the two Regiments of Militia belonging to the North end of the County of *Ulster* be dismissed by General *Clinton* from their present duty and that two hundred men be drafted thereout and put under the command of a field officer and ordered to repair to the Flats in *Rhinebeck* precinct in the County of *Dutchess* on the thirteenth day of January instant and that they be under the direction of the abovementioned Commissioners.

Resolved unanimously, that the said Commissioners be and they hereby are directed and impowered to take such ways and means, as they in their Wisdom shall think to cause the said Militia, to march in the manner above directed, and in case the said Militia or any part thereof shall prove refractory and obstinately refuse to obey the authority of this State, that in such case the said Commissioners be and they hereby are directed and enjoined to cause the said detachment of troops to fire upon and otherwise treat them as open enemies of the State.

DIE SABBATI, 10 HO. A. M. JANUARY 4th. 1777.

* * * * *

Resolved that General *George Clinton* be and he is hereby empowered, to dismiss all the militia of the Counties of *Ulster* and *Orange* excepting only five hundred men to be commanded by such officers as General *Clinton* shall appoint; That the said five hundred men do continue in service until the Regiments by a resolution of the first instant directed to be raised for three months shall be compleated and no longer and while they do continue in service they be entirely under the command of General *Clinton* to be stationed and disposed of as he shall think most expedient for the public service.

10HO A. M. JANUARY 9th 1777

* * * * *

Resolved that the Commissioners appointed by the resolutions of this Committee of the third instant for repressing the refractory spirit of the Militia of *Rhinebeck* precinct in *Dutchess* County, repair to *Paulding's* precinct in the same County, as soon as they have executed the resolutions relative to the militia of *Rhinebeck* precinct and that they be directed and authorized to pursue the same measures with respect to such of the militia of Col. *Fields* and Col. *M^a Humphries* regiments as have neglected or refused to obey the orders of this Convention of the 21st Ultimo as were by them exercised in the precinct of *Rhinebeck*, and that for this purpose the above mentioned Commissioners be vested with all and singular the powers and authorities whatsoever which were vested in them by the resolutions of the Committee of Safety of this State of the 3^d Instant.

* * * *

A letter from Colonel *Peter R. Livingston*, dated the 2^d instant relative to the refractory Militia in the Manor of *Livingston* was read and is as follows, to wit:

District of Manor *Livingston* 2^d January 1777.

Gentlemen

Upon the receipt of your first resolves of the 21st of December I immediately ordered out my regiment in order to march down as many of them as the field officers judged could leave home without too much distressing their families at this inclement season of the year and sorry I am to acquaint the Convention, that out of the whole (except those that a few days before returned from duty) we could only make one company of about 45 men, that could any way possibly leave their families; just as they were ready we rec^d your countermand and dismissed those that did meet with orders for them to be ready on the earliest notice. * * *

As we were fearful you might want men, hearing the militia were so backward in *Dutchess*, thought it best to order out Lieutenant *Bowes* Company who are on Continental pay and are enlisted until the first of May next to march down to *Fishkill* and receive such further orders as you may judge fit to give him, as Capt. *Gaasheebus* people's time is out the 14th of this month.

* * * *

DIE MARTIS, 10 HO. A. M. JANUARY 14th. 1777.

* * * *

Whereas Colonel *Cornelius Humphrey*¹ a member of the house, has with a spirit of economy like a generous Patriot offered to take the Command of a number of Volunteers, who are willing to serve their Country at this important conjuncture, Resolved Therefore, that Colonel *Humphrey* be appointed to take the command of such volunteers with the rank of Colonel, that they be formed into a regiment to continue in service for six weeks from the time of their marching, unless sooner discharged and that they repair with the utmost expedition to *Peekskill* and put themselves under the direction of the Committee for carrying on an expedition in *Westchester* County &c That Colonel *Humphrey* be also authorized to enrol in the said regiment of volunteers such officers as in his opinion will be most serviceable on this occasion and that the officers, non-commissioned officers and privates be allowed Continental pay and rations.

DIE LUNAE, 4 HO. P. M. APRIL 14th 1777

A Memorial of Maj^r *Albert Pawling* dated this day was read as follows to wit:
To the Honorable the Convention of the State of New York

The Memorial of *Alfred Pawling*, Major of one of the Sixteen additional Regiments ordered to be raised by the Honorable the Congress, for the service of the *United States of America* and officered by his Excellency General *Washington* Humbly Sheweth

That as well your Memorialist as the Officers of four Companies in one of the said Regiments, are members of this State, as will appear from the enclosed List: that most of them are persons who have fled from the City of *New York* or *Long Island*, leaving their All behind them, rather than desert the Cause of Liberty and their Country by falling into the hands of the Enemy; and all of them (one or two Subalterns excepted) have served as officers appointed by this State in the service of the *United States of America* and though with some degree of military reputation, as will appear by the recommendations given them to the Committee of Arrangement by the General Officers under whom they more immediately served, yet they were (from unavoidable necessity as your Memorialist believes) unprovided for in the five Regiments assigned to this State to raise.

Your Memorialist further begs leave to premise, that the Officers of the said sixteen Regiments are not confined to any particular State to recruit the same, notwithstanding which it has been the policy of the States of *Connecticut* and *Massachusetts Bay* to grant their respective State Bounties as well to Recruits (wheresoever enlisted) for those Regiments, as for the Artillery, where the recruiting Officers only are members belonging to either of those States, by means whereof they furnish Officers and this State men for those choirs (*corps*) and besides the honor of apparently furnishing a large proportion of men for the war: at the close of it from the well known attachment, that men generally have to their Officers, they will acquire by this stroke of policy whole Regiments of new subjects at the expence of this and others of the States.

Your Memorialist however means not by this reasoning to ask a Bounty or any extra encouragement for the Recruits of his officers, and as he wishes, so he will exert himself to raise as many in other States as he possibly can, for which purpose his recruiting Officers have proper directions: But your Memorialist can't help humbly thinking, that a late Resolve of this Honorable House giving an Exemption to such of the Militia from being drafted in the service as shall furnish or enlist men for either of the five Regiments of this State only bears extremely hard on his officers and will greatly retard, if not totally prevent their filling their Companies, except the same Resolve shall be extended to them.

Your Memorialist therefore from a desire of promoting the Interest of this State, of which he has the honor of being a member, and of promoting the recruiting service at large, by having his Officers put on equal footing with others of the same State, has thought it his duty to lay the state of Facts contained in the above Memorial before this Honorable House with the fullest confidence (arising from the high opinion he entertains of their wisdom and justice) that the said Resolution will be extended equally to the other four Companies now raising in this State.

And your Memorialist as in duty bound shall ever pray &c.

Kingston, April 14th 1777.

ALBERT PAWLING

A List of the officers of the four Companies alluded to in the above Memorial:

Capt. <i>Nathaniel Tom</i>	Lieut <i>Wood</i>	Lieut <i>Drake</i>
" <i>John Watkins</i>	" <i>Lawrence</i>	" <i>Oliver</i>
" <i>Black</i>	" <i>Neely</i>	" <i>Robert</i>
" <i>Santford</i>	" <i>Munnell</i>	" <i>Rodman</i>

Ordered, that Major Pawling be informed, that this Convention made and issued the Resolution referred to in his Memorial in order to aid in recruiting the five Regiments, directed to be raised in this State, which they conceived themselves bound in honor to complete as soon as possible: And that when those Regiments are completed, the Convention will give all such aid to the recruiting Service in general as shall to them appear consistent with the particular Circumstances of this State.

TUESDAY MORNING, MAY 6 1777

Resolved, that the Committee and Field Officers of the County of *Westchester* be empowered to raise as many men as they can for the defence of the said County and that this Convention will defray the expences thereof.

MAY 27th 1777.

A Letter of the 23^d inst. was received from Lieutenant Colonel *Jacob Hornbeck* informing the Council that when a third part of the Militia of *Ulster* and *Orange* was drawn into Service it was agreed by Brigadier General *Clinton* & the field officers, that any three men, who should be classed together in the said Counties and could not agree to make out one man to stay the whole time, that said three men might make out together to serve the said time by turns; in consequence of which several do serve by turns and relieve each other on set times — And further that Capt. *Frederick Schoonmaker*, who was enlisting a Company of men by order of the late Convention, had enlisted several persons, who were to go to their turns as aforesaid, whereby Discontents will be created and the Service injured.

Resolved, that Captain *Schoonmaker* do not in future enlist any men into his company, who are actually engaged in manner aforesaid to relieve any men of the Militia called into service as aforesaid and that he discharge all such of the men, whom he hath already enlisted, as are under these engagements.

MAY 28th 1777.

Resolved,¹ the time allowed for raising the three Companies to be by him (*Wheelock*) raised in the Service of this State be prolonged eight Weeks² from the Time formerly allowed by the Resolutions of the late Convention for that purpose.

Resolved, that *Samuel Paine* Esq. & *Eleazar Wheelock* the one by Major *Wheelock* appointed a Captain & the other a Lieutenant be commissioned — And that Major *Wheelock* direct Lieutenant *Wheelock* with the Privates of Captain *Pains* Company to march to *Fishkill* in *Dutchess* County without Delay there to receive and follow the further Directions of the Council of Safety or Executive power of this State.

Resolved, that General *Bayley* of *Gloucester* County be requested to order one of the Companies of the Troops raised in the Counties of *Gloucester* & *Cumberland*, usually called Rangers, to march to *Kingston* in *Ulster* County without Delay to follow the further Directions of the Council of Safety or executive power of this State.

IN CONGRESS, MAY 23^d 1777.

The Marine Committee to whom the letters from Gen^l. *McDougall* & *Gowf. Morris* respecting the manning & fitting two galleys for the Defence of the *North* river were referred, report that they have taken the said Letters into consideration & are of opinion, that such galleys as may be necessary for the Defence of the said river ought to be equipped and their operations directed by the State of *New York*, for they find this kind of defence is undertaken by all the other States, when it is found necessary.

¹ Upon a memorial to that effect, presented by Major *Wheelock*.

² Major *Wheelock* had 70 men on the 28th of June following.

Resolved, that the Delegates of the State of *New York* be desired to inform the Convention of that State, that the above report of the Marine Committee is accepted and adopted as the Sense of Congress on this Subject.

Resolved, that the Honorable the Congress have from the Commencement of the War with *Great Britain* considered the security of *Hudson's* River as an Object of the Utmost importance to the Safety of *America* and thereupon ordered at the Continental expence the creating of Fortifications thereon and by various resolutions impowered the Commander and Chief and the late Convention of this State to obstruct the navigation thereof & to build vessels of war for its security.

Resolved, that it appears to this Council from the Representations of the Honorable Major General *Putnam* of the fourth instant necessary for the defence of the river that the Continental gallies now in *Hudson's* river be fitted and manned & that the General cause of *America* may suffer by any Delay in manning the same.

Resolved, that Captain *Cook*, who is commander of the *Lady Washington* galley by appointment from his Excellency General *Washington* be requested to cause the said gallies to be properly manned & fitted for service & that this Council will advance the money necessary for that purpose.

DIE MARTIS, JUNE 17th 1777

A Draft of a Letter to the President of General Congress was read, amended & approved & is in the words following to wit:

Sir. We have received from the Delegates of this State the Resolutions of your honorable House of the twenty-third of May last requiring us to equip such Gallies as may be necessary for the Defence of *Hudsons* River and to direct their operations. Congress having hitherto considered this matter in the Light of a Continental charge we are confident they cannot mean to cast the Burthen now upon this weak and mutilated State and therefore are led to suppose, that this Resolution has not received that due Weight of Deliberation, which usually accompanies every Affair of Importance.

From the earliest commencement of the present War a Line of Distinction hath by the Justice of your honorable Body been drawn between *New York* and her Sister States as the Center of *America* and in the vicinity of *Canada*: this State as well from the exposed situation of its Capital as from the great navigable River, by which it is intersected, became of necessity the grand Object of our Foes. It was wisely foreseen, that they would make the most strenuous exertions to possess themselves of it and that their Success by obstructing the easy Communication through this vast Continent by opening to them the Resources of a fertile and extensive Region & by removing every Obstruction to a free Intercourse with the Disaffected would expose all the

neighbouring States to reiterated Depredations, subject the numerous Tribes of Savages to their entire Control and open a broad Road to the total subjection of *America*. From a full Conviction of these truths Congress have ordered several different Works to be erected and have empowered his Excellency the General and the late Convention of this State to construct Fireships & other vessels at the Expence of the Continent for the Defence of *Hudsons* River. Forts & Vessels have been built and many Obstructions raised in Consequence of these Resolutions and the better to forward the Designs of your Honorable House in this and in other Parts of *America* all the Cannon and other military Stores of this State to a very considerable Amount have been delivered to the Officers of the Continent.

It is therefore with great surprise, that we are informed of your Requisition to fit out as many Gallies as may be thought necessary for the Defence of *Hudsons* River. For by the loss of our Capitol and Sea Coast almost all our Ship Carpenters and other necessary Mechanicks have sought Employment in the neighbouring States and those who remained have lately been sent to *Lake George*, where they now are in the Continental service. We have no Cannon and we can venture to assure Congress, that there are not twenty good Seamen to be hired in that Part of the State of *New York* now in our Possession.

But were it in our Power to comply with this Requisition there is a most evident Impropriety in subjecting the Direction of those gallies, which are to cover the chain and keep open the Communication between the works on the different Sides of the River to the Executive Power of this State, For Vessels so employed are certainly to be considered as the necessary Appendages of those Works or indeed as a part of them and then that they should be independent of the Officer commanding at that Post is utterly inconsistent.

For these Reasons, Sir, we hope Congress will excuse us for requesting the Reconsideration of that Resolution and not by Command we are incapable of complying with deprive us of the Pleasure we enjoy in acknowledging the Wisdom and Justice of their Measures by a ready & cheerful Acquiescence. That the Service may suffer as little as possible by this Delay, we have passed the Resolutions which we do ourselves the Honor to enclose and Sir, if you reflect upon the great Expence this State hath incurred by Bounties paid to their Militia, who have been called out, whenever the weakness of the Army required their Assistance, by the suppression of Insurrections and the Apprehension and Support of the disaffected, of whom not less than five hundred are at this time in Confinement; by the maintenance of the numerous Poor from those Parts of our State in possession of the Enemy; and above all by the enhanced Price, at which we obtain every necessary from the neighbouring States, it must be acknowledged that a parsimonious Disposition hath no Part, in what we have offered and that we have borne not only our full Share of the Burthen, but shown such Alacrity in taking it upon us, as must carry with it a Conviction, that we feel the utmost Regret, whenever we find ourselves so circumstanced as to be constrained to forbear complying with any Requisitions from your honorable House.

Whereas Major *John Wheelock* hath represented to this Board, that the late Convention of this State did on the eighth day of April appoint him to raise three Companies of men in the Northeastern part of the same, the Officers of which Companies were not to be entitled to Commissions, until at least one hundred and fifty men should be enlisted ; Notwithstanding his utmost Exertions and the Prolongation of the time limited for the raising the said men, he hath been able to enlist only eighty men and that there is no Probability of enlisting any more by reason of the open Defection of that part of the State and other Incidents then unforeseen, For which Reasons he hath requested this Board to determine either to confirm or disband the same Corps.

And whereas it appears to this Council both reasonable and expedient, that the men so raised should be taken into the service of this State on the Terms of their enlistment, Provided that supernumerary Officers concerned therein will relinquish their Expectations of Commissions.

Resolved, that if any Six of the twelve commissioned Officers named by Major *Wheelock* for the said three Companies shall voluntarily discharge themselves from the said Corps, That then Major *Wheelock* do forthwith march all the men so as aforesaid by him enlisted with the Residue of the Officers to this Place, That on their Arrival here their respective Commissions be delivered to them and the Corps stand confirmed.

Resolved, that such of the Supernumerary Officers to be discharged as aforesaid as shall at any time within nine months from the date hereof procure and produce to Major *Wheelock* or the commanding Officer of the said Corps so many men to enlist in either of the said Companies as to render such additional Officer or Officers necessary to the said Company, shall be received and commissioned accordingly, but shall draw pay only from the time of such Junction — It being the Intention of this Council to give Countenance and Encouragement to all such as shall exert

themselves in the Service of the State. Provided nevertheless that no number of men less than fifteen shall entitle a Subaltern to a Commission, nor a less number than twenty men shall entitle a Captain to a Commission.

Resolved, that unless the above Resolutions be complied with in four weeks from the Date hereof the said Corps be disbanded & that Major *Wheelock* do repair hither to settle his Accounts

Resolved, that on the Arrival of Major *Wheelock* with the Eighty men and six Commissioned Officers aforesaid at *Kingston* Captain *Wait's* Company of Rangers, who are also ordered to repair to this place be put under his Command.

DIE VENERIS, 10^a HO A. M. JULY 18th 1777.

DIE MARTIS, 4th HO. P. M. SEPTEMBER 2^d, 1777

A Letter Colo: *Morris Graham* to his Excellency the Governor dated at *Van Schaicks Island* August the thirty-first enclosing an Arrangement of the Officers of the Regiments of Drafts from the Militia under his Command and requesting Commissions may be made out for such of them, whose names are marked with an Asterism was brought into Council by the Secretary by the direction of his Excellency, the same was read and immediately taken into Consideration.

Resolved, that his Excellency the Governor be empowered and requested to grant Brevets to such Officers of Colo: *Graham's* Regiment of Draughts from the Militia serving in the Northern Army, as have not Commissions for the Rank, they now hold in the Regiment.

DIE MERCURI, 10^a HO A. M. SEPT^r 3^d, 1777.

The Committee to whom was referred the Pay and Subsistence Rolls of the Men raised by order of the Committee of *Westchester* County for the defence thereof as also the Proceedings of the said Committee thereon delivered in their report, which was read and approved of and is in the words following, towit:

That it appears to your Committee, that the late Convention of this State did in and by a certain Resolution bearing date the 6th day of May last Resolve in the words following to wit:¹

That the Committee and Field Officers of the said County did order a certain Number of men to be raised for the Defence of said County by virtue of the said resolve, to continue in Service until the first day of January next unless sooner discharged and did agree to pay to each private six pounds per month and rations or in Lieu of Rations two Dollars per week, to each Sergeant seven pounds per month, to each Corporal, Fifer and Drummer six pounds ten shillings per month together with the same rations or allowance as the Privates — And to the commissioned Officers Continental pay and rations or in Lieu of Rations twenty-one shillings per week.

That it appears from the pay and subsistence rolls, that eighty-eight men Officers included have been raised in Consequence of the said Resolve and are now in actual Service in the said County And that the said pay and Subsistence rolls from the first day of June last to the first day of August being two months Amount to fifteen hundred and thirty-two pounds three shillings and six pence.

Your Committee after having stated the above Facts are of Opinion, That the aforesaid Committee and Field Officers were not Authorized or warranted by the true Construction of the said Resolve to raise the said Men on any other than the usual pay. And that the retaining in pay any Corps at the extravagant rate of wages on which these have been engaged would be attended with very evil consequences.

1st. By affording the Militia of any other County in the State when called into Actual Service an equitable claim to the same extravagant pay especially where the County from which they might be ordered should be equally exposed to the Incursions of the enemy.

2^d. The Establishing a pay for the Militia Service as far above the Continental pay would greatly retard the filling of the Continental regiments engaged to be raised by this State.

Your Committee are nevertheless of opinion, that the Committee of the County of *Westchester* might possibly have been led into a misapprehension of the above recited resolution from its containing no express limitation of the pay that they were empowered to offer and that it would be unjust to leave the said Committee bound for the payment of the wages of the troops raised in Consequence of the above resolution, since they were probably prompted to the measure by their endeavour to serve the public.

Resolved, therefore that the said pay and subsistence rolls be audited and that the rangers raised in the County of *Westchester* be immediately disbanded, unless they shall be willing to serve for continental pay and the above allowance for rations.

The Council being informed, that those men of Capt. *Payn's* Company, who by order of Council have joyned Captain *Schoonmaker's* Company on a supposition that they belong to Major *Wheelock's* Corps, who are disbanded have applied for passes to return home, — Thereupon

Ordered, that the said men be informed, that they did not belong to Major *Wheelock's* Corps at the time they were ordered to join Captain *Schoonmaker's* Company and that Captain *Schoonmaker* be directed not to permit any of the said men to depart or quit his Company without orders from his Excellency the Governor or this Council.

THE NEW YORK LINE

OF THE

CONTINENTAL ARMY.

THE NEW YORK LINE OF THE CONTINENTAL ARMY.

The perusal of the foregoing Proceedings of the Provincial Congress &c will have shown, that the Continental Congress made three calls on the people of *New York* for assistance in their struggle against the attempts at coercion by the *British* Ministry, the first in 1775, the second early in 1776, and the third in the summer of 1776. Hardly any documentary evidence has been preserved to show, who answered to the first two of these calls by shouldering their muskets and reporting "ready for service" to the officers, of whose names more or less complete returns exist. In giving names of the officers and of a few men of the first and second "Continental Establishments," the Editor has tried to avoid repeating lists of names, etc., already published in the "Calendar of Revolutionary Papers," two Volumes, published by authority of the State in 1868. An examination of the Legislative Papers, collected from 1778 to 1830, of the Minutes of the Council of Appointment and of the Pension Board, has enabled the Editor to disinter the names of many Revolutionary worthies from the tomb of oblivion, where, however, many more must rest forever, in the absence of means to bring them again into light. The list of soldiers here following, according to Regiments and Companies, is taken from the "Military Register," a MSS. volume purchased by the State from *Alexander Neely*, for 100 acres of land in the Township of *Sterling, Cayuga Co.* (see chapter 265, Laws of 1828). *Neely*, a native of this State, had, while clerk in the War Department at Washington, compiled this register and as General *Dearborn*, Secretary of War, had by a letter of July 27, 1803, informed the then Secretary of State of *New York*, *Thomas Tillotson*, that "all returns made subsequently to the year 1781 and some of those made previous were consumed by fire with the War Office, in Novbr. 1800," the Legislature authorized the above purchase, a committee having found proof of its correctness.

The abbreviations used in the following list mean: A. P., Assembly Papers, containing petitions for bounty-land, etc., and reciting in nearly every case the applicant's service, the recital being fortified by affidavits of former superior officers and brother-soldiers.

C. A., the Minutes of the Council of Appointment, consisting of the Governor and a few Senators.

A, B, C, Aa, Bb, Cc, I, the Minutes of the Pension Board.

M. R., the Military Register, the entries of which are given in extenso, with the following omissions and abbreviations: the first date gives the day of entering in the Company; m. means *mustered*; E., served to the end of the war.

P. R., a pay-roll of the two Regiments, into which the New York Line had been consolidated in 1781.

An alphabetical index of the names of the Line and of the Militia Officers will follow at the end of the volume. This index does not contain the names of the soldiers of the Levies and Militia, which are arranged in alphabetical order.

LEVIES AND MILITIA.

The names in the following Alphabetical Lists are taken from volumes, entitled "An Account of Certificates Issued by the Treasurer of the State of New York." The parts in these volumes referring to the Militia and Levies are headed: "In pursuance of a Law passed the 27th Day of April, 1784, Entitled 'An Act for the settlement of Levies and Militia, for their services in the late War and for other purposes therein mentioned,'" &c., &c.

The Rosters of Officers preceding the Alphabetical list and arranged according to Counties, are taken from the Minutes of the Provincial Congress, Committees of Safety and Arrangement, and of the Council of Appointment. The Editor has found it impossible to reconcile the obvious differences between the Councils of Appointment arrangements and the above pay lists. The Levies and Militia were governed by the following Laws, passed by the Legislature, superseding or amending the regulations of the Provincial Congress, given in the first part of this volume:

Chap. 5. An Act for granting to the Governor £10,000 for paying, subsisting and defraying expenses of the Militia, whenever he shall call them into actual service. Feb. 21, 1778.

C. A. Mar 21 | 83 p. 261.

His Ex'y the Governor laid before the Council the Returns of the Levies raised on Bounties of unappropriated Lands for the defence of this State in consequence of the different Acts of the Legislature for that purpose, together with such information, as he had received on that subject; In order as the said Levies do not amount to a sufficient number to compose one Regiment on the Continental Establishment it might be determined by the Council which of the Officers had complied with the Terms prescribed by the Laws so as to be entitled to Commissions and his Excellency be thereby enabled to form them into an Independent Corps agreeable to the direction of the said Laws — And it being represented to the Council by some of the persons to whom Warrants were granted to recruit for the said service, that they have enlisted and caused to be mustered and delivered within the time limited by Law the number of men requisite to entitle them to Commissions, but have not been able to procure Certificates thereof from the Persons who received and mustered them, Whereupon it is *Resolved*, that it is as well indispensably necessary to enable the Council to determine in the premises, as to do Justice to such Officers, and obviate all cause of complaint, That Returns be made to this Council by the Muster Master and such other persons as may have received and mustered any of the said Levies of the Men so by them respectively received and mustered, specifying the name of the Recruit, the time when mustered and by whom enlisted and delivered, and also a descriptive Roll by the Commanding Officer of the said Levies noting Deaths, Desertions and other Casualties.

Resolved therefore that the issuing of Commissions to any of the said Officers, except such as have or shall produce Certificates from the Muster Master agreeable to Law intitling them to the same be suspended till the next meeting of the Council.

June 27 | 83

Whereas it appears to the Council from the Returns of the Muster Master Jacob Lansingh that not any of the officers appointed to recruit the two Regiments on Bounties of Unappropriated Lands have enlisted and mustered the number of men, which would entitle them to Commissions, agreeably to the Acts of the Legislature in that case made and provided, Captain James Cannon, Lieutenants Pliny Moore and Rial Bingham, who have duly enlisted the Complement assigned to them Excepted and Whereas the officers of the Levies raised for the Defence of this State who, on such failures was appointed to recruit for the said Regiments, have increased the number of Recruits for the said Regiments, so as that the same are Equal to five Companies on the Continental Establishment and it is become necessary, that the same be arranged into a Corps and officered accordingly, *Resolved*, therefore that Job Wright, Jonathan Piercy, Peter B. Tierce, Simeon Newell and James Cannon be Captains of the said five Companies, That Abraham Ten Eyck, Pliny Moore, Rial Bingham, Josiah Richardson and John Thornton be Lieutenants of the said Companies, and that Ichabod Andrews, Witter Johnson, Jesse Hubble, John C. Shaver and Gideon Cowles be Ensigns of the said five Companies — That Moses Willard be Surgeon's Mate, and Elias Van Beenschoten Junior Esquire, Major of the said Corps and their Commissions respectively bear date the first day of January last except those of the Lieutenants Moore and Bingham, and of Captain Cannon, which are to bear date at the time, when they had Completed their respective Complements of men to entitle them thereto.

* Appointed same day as Lieutenants, resp. Ensigns, to recruit, &c., as preceding note.

† Com'd same date as Lieut. in the Bounty Reg't, he having produced a Muster Master's Certificate, that he completed his Quota of men.

‡ Found to be supernumerary officers, no commissions ordered to issue, Sept. 29, 1783.

Long Island Militia.

The people of Long Island responded to the call of the Provincial Congress, asking them to organize in military bodies, as early as the inhabitants of the other counties and below are given the earlier organizations. The fortunes of war severing the connection between the Island and the Main land, these organizations could not be kept up, hence the list of Long Island officers is necessarily small. The Council of Appointments made no appointments for Long Island until 1784.

THE INVITATION

Of the Continental Congress to their Brethren, who are Sons of Liberty and Seamen, to engage in the defence of the Liberties of America.

We whose hands and marks are hereunto set and subscribed being officers, seamen and marines, do and each of us doth agree to and with William Rogers of the good Sloop, called the Montgomerie, belonging to the Thirteen United Colonies of America, now bound on a cruise, from the port of New York, against the enemies of the Thirteen United Colonies of North America in manner and form following, That is to say,

In the first place, — We do hereby agree for, by and under the considerations after mentioned to and with the said Commander, forthwith to enter and ship ourselves, and in due and seasonable time, to repair on board the said Sloop, called the Montgomerie, and during the term of twelve months, unless sooner discharged by the Congress, to the utmost of our power and ability respectively to discharge our several services or stations, and in everything to be conformable and obedient to the several requirings and lawful commands of the said William Rogers and his successors in command.

Secondly. We do also oblige and subject ourselves to serve on board the said ship, during the said cruise, and as she is a ship of war, We do severally oblige ourselves by these articles, to comply with and be subject to the rules and discipline of the American Fleet as established by the Congress, and to be governed and commanded in time of action with an enemy according to the same rules, and submit ourselves to the same punishments and penalties as are there inflicted, in case we or any of us offer to desert our quarters, or not obey the commands of the said William Rogers or his successors in command, in giving chase to any ship or ships, vessel or vessels or otherwise, and if upon a scrutiny of our said William Rogers or his said officers, we or any of us should be found guilty of any breach contrary to the tenor of this agreement, or any act of cowardice, We do hereby severally submit and agree, to allow and forfeit our several and respective shares, of and in any prize or prizes we shall then have taken to be divided among the said ship's company.

Thirdly. We do also severally agree and oblige ourselves, that when any prize or prizes have been taken, to follow the express directions of the said William Rogers or his successors in command in boarding the said prize, and be under the command of any officer whom the said William Rogers shall appoint, and be assisting to him to carry the said prize to whatever port or ports such prize or prizes shall be assigned by the said William Rogers. And we do hereby severally agree and covenant in that case, to be true and faithful in discharge of our duty and trust, and will not in any shape embezzle, defraud or plunder anything on board such prize or prizes — And in case any or either of us shall be found guilty of any breach, contrary to the meaning of this agreement, we and such of us being guilty thereof, do hereby severally submit and agree, to allow so much of all and every of our shares and parts of our shares of and in the said prize and prizes then or thence after to be taken and of all our respective wages, that then shall be due and coming to us in respect of our services, as shall make good such plunder or embezzlement we shall have been found guilty of

Fourthly. And it is also further agreed, to be the true intent and meaning of all parties hereto, that the officer or officers, or any of the ship's company sent on board any prize shall have as good a share and interest of any prize, as shall be thereafter taken, during his or their absence, as if he or they had been on board the said vessel at the time of taking thereof, any thing herein contained

to the contrary notwithstanding. *Provided always*, And it is hereby agreed to be the meaning of the said last above-mentioned clause, that if the said officer or officers and any such of the said ship's company, to whom the conduct and management of any prize has been entrusted, do not (first having accepted the commands of the said commander concerning the said prize under his [or] their custody) immediately repair to the respective harbour, where the said William Rogers or his successors in command shall order or do not proceed with the said prize or prizes so taken to the respective port or ports to be assigned by the said William Rogers for the time being, that [upon such] failure or any or either of the agreements aforesaid contained on our parts, We and each and every of us so offending, do hereby severally submit and agree to be cashiered not only for our several and respective interests and shares of and in the captures or prize money, but totally to be excluded and divested from the payment of any wages then due to us for and in respect of our several services on board the said Sloop Montgomerie and the interest and shares of such delinquents that otherwise would have accrued to us.

Fifthly. And the said William Rogers for and in behalf of himself and the said Thirteen United Colonies of North America, doth hereby covenant and agree to and with the said officers, seamen and marines, whose names or marks are hereto set or subscribed to pay them in consideration of such services, so much money per month as in a schedule hereunder mentioned and set opposite to their names or marks of each respective officer, seaman or land man and likewise to advance unto each and every of them one month's pay at entrance (due security for the same being first given) the receipt whereof they do hereby acknowledge.

Sixthly. And as an encouragement to exert the valour of the seamen and mariners, in defending the said Sloop and in subduing and distressing the said enemy, the said William Rogers for and on behalf of the said Thirteen United Colonies of North America doth further covenant, promise and agree to and with all and every of the officers, seamen and marines, parties hereto, that in case any prize or prizes shall be taken by [the said ship] during the intended cruise, that the same shall be proceeded against and distributed according to the resolves of the Congress passed the 15th day of November, 1775.
